In 1995 the Pen-Florida District recognized the need for ministry to and from the mature adults of this peninsular and established the Adult Ministries Department known as AM.

The department's core values are:

- * **Ethical**
- * **Visionary**
- * **Entrepreneurial**
- * **Reliable**
- * **Loyal**

Mature adults are encouraged not only to be served but to serve the Lord by using their gifts, talents, and abilities in ministry opportunities.

One means to accomplish these goals is through the department's chartering program. Identify your mature adults with the district department. Join with other Fellowships to reach, teach, and challenge other mature adults in Pen-Florida communities.

AM Vision Statement

“Adult Ministries is ministry to and through mature adults to the church, the community, and the world for service, outreach, Christian growth and discipleship, fellowship, friendship, and love.”

- **Exalt the name of Jesus Christ**
It is the purpose of the Adult Ministries groups to Provide additional opportunities to worship and Honor Jesus Christ.
- **Edify Believers**
We recognize the need to encourage fellow adults in their personal devotional life and in the use of their natural and spiritual gifts to further the work of Jesus Christ.
- **Enhance the Work of the Local Church**
We desire to foster the program and ministry of the local church through encouragement for regular attendance, prayerful intercession, and stewardship.
- **Evangelize the Lost**
We recognize that mankind is lost without Jesus Christ and we desire by discipleship to be a constant witness in attitude, word, and deed to reach others for Christ and His kingdom.

AM Mission Statement

*Develop and sustain a responsive and accessible ministry.
Provide opportunities and resources for persons 50 and older.
Increase dignity, independence, and develop holistically.*
