## Fellowship Following Evening Service Monday

Music Ministers Fellowship

Tuesday May 23, 2017

after evening service

## **92nd Council Greetings and WELCOME**

We are going to have a wonderful time of worship, fellowship and business during our days at Victory Church. Thank you for coming!

Monday afternoon our Young Leaders will again host the Wisdom Conference. Presbyter Aaron Burke has invited our friend Chris Railey to minister and challenge us for kingdom work. After service Monday evening, we ALL will enjoy a time of food and fellowship in the gymnasium. Hosted by the Young Leaders, this “afterglow” will be for EVERYONE at Council. Plan to have a cup of coffee, a bite to eat and a lot of fun as we fellowship together Monday night!

Monday evening, I again have the honor of preaching to you. We will also feature our PF Missions Church Planting and Home Missionaries in this Keynote Rally. Don't forget the FELLOWSHIP for EVERYONE following the service!

Tuesday morning we will start business at 9:00 am with our financial report. Then the Memorial and Communion Service will begin at 10:00 am. National Black Fellowship President and PFDC Presbyter-Pastor Michael Nelson, will minister the Word of God! Business will resume at 2:00 pm.

Tuesday evening is always special at Peninsular Florida District Councils as we celebrate what God is doing around the world. Our World Missions project is rebuilding the churches devastated by the tragic earthquake in Nepal. Tom Manning will lead as God uses us to restore some of what the Enemy destroyed.

Wednesday morning we will again present the Ordinees and 50 Year Honorees. We are privileged to have General Treasurer Doug Clay as our special guest in this Ordination Service. 44 new candidates for Ordination will receive the highest credential the Assemblies of God offers. This is a solemn and sacred moment for those being Ordained. I believe these men and women will be mightily used of God in these last days to advance His kingdom on Earth.

Athena and I do not take for granted the marvelous honor you give us in allowing us to lead this District and its Council. We are praying for a life changing visitation of the Holy Spirit upon our services, fellowship times and business sessions. May the Spirit touch you, renew and revive you, bless you, and send you back to your harvest field with new vision and enthusiasm for His work. Let's enjoy the Lord, and our family of Ministers, during this Council!

Your friends,

Terry and Athena Raburn

## **Superintendent Report 2016**

In this 92<sup>nd</sup> Council of the Peninsular Florida District we are taking an opportunity to touch base with our “core values” as a Fellowship. According to corporate strategy experts “missional drift” is deadly for any organization. In the Kingdom of God, it is apostasy, blasphemy and sin! To protect against such drifting we must periodically review those values which define our reason for being, caused our original formation, and constitute our foundations. During our time together here at Victory Church in Lakeland we will look at many of the values that make us what we are as Pentecostal, missions minded, and church planting Believers.

In their book, *Leadership: A Communication Perspective*, Michael Hackman and Craig Johnson state “Values are uncompromisable, undebatable truths that drive and direct behavior. They are motivational – they give us reason *why* we do things; and they are restrictive – they place boundaries around behavior.” So then, our central values must be respected and protected. They give us direction and energy for our journey. They also keep us from the dreaded drift that would take us away from our most revered, cherished and meaningful goals. We must fix our minds, hearts and souls upon those timeless truths at the core of our faith and crux of our work and activities. As the Proverb instructs: “Do not move an ancient boundary stone set up by your forefathers.” (22:28) So what are the values that drive and direct our efforts?

### **MINISTRY**

Peninsular Florida continues to experience a genuine season of blessings from the Lord.

In his first year as our District Youth Director, Casey Casal wasted no time in extending the tremendous success of PFYouth. We miss Al Force and Jinny but the values they left provide a solid foundation. Casey and Lenore have built on that foundation by having a powerful Youth Leaders Conference, new missions trips and adding a new young adult age camp. Speed the Light giving approached a half million Dollars, youth camps at Masterpiece Gardens were at record levels, and our PK Retreat was outstanding. The convention, Fusion, saw a true two night revival among our youth. Again, PFYouth had the best District Fine Arts Festival in the Fellowship and dominated the National FAF Festival last summer in Louisville, Kentucky. Our core values are producing current results!

Deanna Shrodes keeps expanding the boundaries of PFWomen's Ministries. The publications, podcasts and radio broadcasts all proclaim the Good News of Jesus Christ and report the advance of Women's Ministries in our District. Thrive, the annual convention, grew again in attendance, spiritual power and miraculous altar and prayer services. New outreaches to Africa were added to existing inspiration on the Couch Tour and Stronger, a unique training event for women in the Assemblies of God, added value and effectiveness to our core. Susan Pippin continues to serve at an excellent level as our Female Presbyter. Her social media pages, media and print communications, and pulpit ministry gives undeniable proof of the anointing God has placed upon women Ministers, and the women in ministry, in Peninsular Florida.

Girl's Ministries has entered a new era. Bonnie Pait has extended and expanded the quality contributions Deborah Chapin made for so many years. Bonnie and her leaders have doubled the Powette attendance, raised BGMC giving to historic highs and brought Girl's Ministry support to the Sectional and local church level. More girls in our churches are learning the core principles of Christian discipleship, faith, and a righteous lifestyle through Bonnie's faithful efforts and tireless work.

PFDC Royal Rangers has been a leader among our General Council Ranger programs for many years. Doug Moon is enhancing Camp Wilderness as he expands this strategically important ministry to boys and men. He has coordinated and directed the construction of a beautiful new covered stage, with lighting, sound, storage and theatric capabilities. The new platform improves meetings, dramas, worship and ministry at Wilderness. In addition, the facility makes the property more attractive to renters and outside church groups. The value of this vital tradition is constantly increasing.

PFMen are growing in ministry, fellowship and missions as John Hensel and our Sectional Reps lead the way. The return of the annual men's convention, MoMENTum, has provided hundreds an opportunity for revival and spiritual growth. Armor Bearers provide financial support so the regional and local events can be dedicated to ministering to men. John and his team are doing things like fishing tournaments, golf outings, and trips that attract men and give them opportunities to work for the Lord.

Aaron Burke is infusing new energy and vision into our Young Leaders. As the PFDC under 40 Presbyterian he is renewing regional meetings and working to include our “rising generation” in the life of Peninsular Florida. The Wisdom Conference on Monday afternoon at this Council will demonstrate the broad vision he is providing for this generation. Missions will be the theme and emphasis, giving definition and challenge to our younger Ministers. After the Monday evening Keynote Rally we will all enjoy a new format of fellowship due to his desire to provide a meaningful time of interaction for Council. We will eat, visit, talk and encourage one another along with the young leaders. Fellowship is one of our core values and this will be a perfect expression of that part of our tradition.

Adult Ministries is now “Finish Strong”! Ken Pippin is committed to providing quality social and spiritual opportunities to this important age group. The cruises and seasonal regional meetings have given a new platform for these saints to Finish Strong. In a special innovation, Ken has led a cooperative effort with Casey Casal and the PFYouth creating connections between older Christians and troubled kids and teens. The Christian seniors can serve as surrogate grandparents to the kids, offering love, advice, support, life lessons and spiritual guidance. Great idea! None of us want to start life strong then finish weak. Ken's leadership is helping extend our values to another generation!

Michael Nelson is following the footsteps of Malcolm Burleigh as a district and national leader in ethnic, urban and black ministry. His anointing will be evident as he ministers in the Memorial and Communion service in this Council. However, it is important to note that his vision and leadership has opened new missions giving in the National Black Fellowship for ministry and church planting in the urban centers of America. President Nelson provides effective leadership for our Peninsular Florida Black Fellowship and serves us well as a Presbyterian. The Great Commission demands we go into all the world and preach the Gospel to every person. That includes all ethnicities and socio-economic groups. Pastor Nelson understands that challenge and is answering with ideas to reach into every neighborhood in the inner cities of this peninsula and across our nation. In spite of the problems there, our core values hold true and are effective in the most damaged population centers in America. The Black fellowships have a call and strategy to go and meet those needs.

## **MISSIONS**

You will hear this many times during this Council: Peninsular Florida BGMC achieved the astounding accomplishment of being the first district in history to give ONE MILLION DOLLARS to missions! Steve Powell, Sydney Morrow, Chuck Padgett, our Kids Church Pastors and PFKids leaders are to be commended for this awesome achievement. EIGHT of the top ten giving churches in the nation are PFDC congregations! PFDC has led the nation for more than a decade and continues to increase the vision, possibilities and victories for our missionaries. One of our foundational core values is to preach the Good News of Jesus Christ to all the world and BGMC are helping us do just that!

Again in 2016 Peninsular Florida was the number one World Missions giving District in the General Council. There is a reason our BGMC, STL, LFTL and general giving is increasing. Our Pastors and congregations understand the heart of God for His creation. Redemption! Every year **Tom Manning** has been our PFDC World Missions Director, we have led the nation in overall missions giving! This year we will help rebuild the church buildings destroyed by the earthquake in Nepal. Tom knows missions first hand. He and Candi served in Europe and built a great missions giving church in Austria. Now they lead CLC in Fort Lauderdale and our district mission ministries. The core value is the Gospel. The core function is missions. Tom is doing a marvelous job directing both operations.

Scott Young has breathed new life into church planting in Peninsular Florida. Last year we planted a number of congregations. We are now working through the adjustments that pioneering always requires. In the last three District Councils we have seen upward trends in *PFMissions (Home Missions) offerings* for the first time in almost 30 years! This is a time of multiplication for our District and we are grateful for the vision, faith and strategy of the combined efforts of Steve Coad, Church Planting and Greg Evans faithful work with the US Missionaries as they give direction and encouragement. The multicultural side of City Reach has expanded the number of PAC and Plants in Pen FL as Scott coordinates the various assignments. Again, this year, we will feature PFMissions and church planting during the Keynote Rally on Monday night. This is a moment of multiplication and we want to fuel the momentum!

## DISCIPLESHIP AND EDUCATION

The International League of Christian Schools continues to grow and prosper. Executive Director Michael Burroughs is adding campuses that bring new students, faculty and staff members to our membership. ILCS and FLOCS holds the highest accreditation available to schools, public or private, and our graduates are qualified to apply to any school, college or university in the world. Without quality education, discipleship is less effective but with excellent educational programs, such as those in the members of ILCS, discipleship is a natural process.

The next step in education is the university. Southeastern University (approaching 7,000 strong!) is now the largest school or institution in Assemblies of God history. SEU boasts the highest numbers of faculty with advanced and/or terminal degrees in their field of any school in our Fellowship. For the third consecutive year, we have been listed as one of the fastest growing and highest quality private, faith-based universities in the nation. This year we opened the new Live-Learn center, Buena Vida (the Good Life), on campus. With state-of-the-art classroom facilities, lecture halls, faculty offices, student housing, social areas and a food court, this building is the envy of private universities everywhere. We now offer degrees from freshmen classes, through Masters in several areas including a new Masters of Divinity, to Doctorates in Education and, for the first time ever, a Doctorate of Ministry. *President Kent Ingle* and the leadership team at SEU have become the standard for excellence in our Fellowship and on the national higher education scene. Learning is a core value and SEU provides the best possible environment for educational advancement on the under graduate and graduate levels.

## MINISTERING

Athena and I count it a privilege to travel the highways and back roads of this beautiful peninsula to work with you, your churches and communities. In 2016 we drove a little over 30,000 miles and flew another 15,000 to preach for you, assist Pulpit Search Committees, attend district conventions and camps, teach DSOM classes, help resolve situations of all sorts, Install new Pastors, pray with you, and agree in faith for God's unfolding Will in many of your lives. This is the highest honor of all that we do. We were called to preach, not sit in an office. Though I actually enjoy office work, I could not survive without weekend ministry. I am humbled when you trust your pulpits to me and diligently study Scripture and ask the Holy Spirit to give messages that He can anoint and use for the glory of the Father. It is always a joy to speak, or at least attend if possible, at church anniversaries, pastoral anniversaries, weddings, baby dedications, and even family reunions. Working with our great Presbyters, enjoying sectional minister's fellowship meetings, and lending a hand in sectional matters are always fulfilling.

In addition, it is a great honor to serve on General Council task forces and operational committees, work with our World Missionaries, attend the annual AGWM Missions Renewal, the USMissions Leadership Conference (this year in Tampa Bay) the annual AG Executives Conference and the General Presbytery. I also enjoy serving on the Commission for Higher Education and the SEU Board of Trustees, as Chair. My membership on the Board of Church Extension Plan has connected many of you to loans, refinancing and new construction that was not available from any other financial source. CEP is a blessing to us and I am pleased to be a member of that financial ministry group.

I was again involved in a few legal situations but not nearly as many as recent years. I gave three depositions but was required to appear in only one actual trial, thank the Lord!

Athena and I believe in One God, Who has three distinct personalities. We believe in His Word, His people and His Church. We believe in participating in spreading His Truth around the world. We believe in Peninsular Florida. We believe in you. Thank you again for permitting us to apply our core values with you in God's work here and abroad. As we celebrate this Council we will rejoice in our core values and continue to answer their call to service to our Lord. Thank you and God bless you for all you do in His cause!

## **Southeastern University President's Report to the District**

It is my privilege as president of Southeastern University to be able to share some highlights from this past year, as well as look ahead to the future for what God has planned for us. God has truly been at work in significant ways as we continue to fulfill our mission to equip students to discover and develop their divine design. Our primary focus continues to be on serving our students, while also serving and impacting our churches and communities.

### **Continued Growth at SEU**

Once again in 2016-17, Southeastern University has experienced tremendous growth, with a record enrollment of 5,804 students. Over the past 10 years, SEU has seen a 95% increase, and was once again listed in *The Chronicle of Higher Education* as one of the top 10 fastest growing private nonprofit baccalaureate universities in the nation. Extended Education, which includes online programs, evening classes, and extension sites, now has more than 1,500 enrolled students. Southeastern currently has 45 extension site campuses all across the country and continues to grow.

Academically, Southeastern also continues to grow with new programs, including bachelor's degrees in Digital Media & Design and Business Analysis, a master's degree in International Community Development, and our second doctoral degree, the Doctor of Ministry. We conferred our first doctoral degree in Education at the fall commencement and our first class of nursing students will graduate this spring. Additionally, our Honors Program continues to grow in enrollment and GPA. Total enrollment in the Honors Program has grown from 33 in 2010 to 183 in 2016.

The fall semester brought the opening of our new Buena Vida building, a beautiful 125,000-square-foot live/learn facility. This unique building concept enables us to provide living facilities to over 380 students, as well as state-of-the-art classroom facilities, faculty offices, and a recently opened food court. The Buena Vida live/learn facility also houses the Jannetides College of Business & Entrepreneurial Leadership, as well as the recently opened College of Arts & Media Gallery, art design studios, music rehearsal rooms, a band practice room and the previously opened Choral Rehearsal Hall.

### **Spiritual Life on Campus**

Southeastern continues to hold a vibrant spiritual life on campus. In addition to seven opportunities each week for students to attend a chapel service or Connect small group, freshman students can develop spiritual discipline through the First Year Experience mentoring groups. This year, 800 freshmen were part of 140 First Year Experience mentoring groups, being mentored by upperclassmen to help them develop discipline in their first transitional year.

Missions continues to be a huge focus at **Southeastern**. **This past year, DestiNations, our SEU missions department, sent 506 students on 62 short-term mission trips** all over the world. This is in addition to the thousands of hours of service our students provide to our local community. In fact, this year our students will have invested over 100,000 hours of service, travelled to 49 different countries on six continents, and affected the lives of almost 30,000 people worldwide!

SEU Conference, our annual spiritual emphasis week, was held over three days in February and welcomed thousands of students, pastors, staff and guests from around the country who came to hear incredible guest speakers such as Louie Giglio, Lisa Bevere, Robert Madu, Chad Veatch, and more. During SEU Conference, SEU Worship also released its latest worship album with 11 worship songs written and recorded by our SEU Worship team.

At the conclusion of the 2017 SEU Conference, Southeastern University also announced the launch of the School of Worship, an innovative approach to training worship directors and campus pastors. The School of Worship will combine instrumental and vocal development academics with theological and ministerial courses, and will also focus on developing hands-on experience in worship leading, songwriting and service producing. Daniel Rivera, an SEU alumnus, is the Director for the School of Worship, and is working alongside SEU worship pastor David Cook, also an alumnus, who spent several years as a worship pastor and songwriter at Hillsong Church in Sydney, Australia. The School of Worship is the latest innovation in the College of Christian Ministries and Religion training of students for ministry. The College of Christian Ministries and Religion is not only the oldest and largest college at SEU, but also the fastest-growing, with 1,610 students currently enrolled in a ministry degree program.

## **Other 2016-17 Highlights**

It is difficult to summarize the accomplishments and blessings of God in such a short report; however, here are just a few of the other highlights from this year:

- SEU Fire Athletics teams have made 17 NAIA National Tournament appearances since 2013. This year alone, Fire Athletics sent five teams and eight individuals to NAIA National Championships. Our Women's Basketball team had an undefeated regular season and made it to the Elite 8 in the National Championship before being eliminated.
- Our Alumni Association hosted its third Homecoming during football season, with alumni traveling from all over Florida, Alabama, Georgia and other states to attend this year's event. Additionally, the Alumni Association continues to host regional reunions across the country. This year's regional alumni events included reunions in Alabama, Texas, North Carolina, and Florida. Several more events are planned for 2017-18.
- Nearly 90% of SEU entering freshmen receive some form of financial aid, including 59% that receive an institutional grant. The average amount awarded institutionally exceeds 10 million dollars.
- The 11th annual Scholarship Gala was held March 10 and was the final event in the Leadership Forum Speaker Series, which welcomed hundreds of visitors to campus to hear nationally known speakers share insights on service and leadership.
- The Jannetides College of Business and Entrepreneurial Leadership Accounting program has received separate accreditation from ACBSP, which ensures that graduates of our B.S. in Accounting degree meet all requirements to sit for the CPA exam. The CPA pass rate for SEU graduates is over 80%, one of the highest in the country.
- Our College of Education has a 95% placement rate for interns over the past four years and an SEU senior has been selected as one of the top instructors of the year from the Florida Association of Teachers and Educators for nine years in a row.

Serving our students at a Christ-centered, student-focused institution is at the heart of what we do at Southeastern. This commitment extends beyond the statistics and the programs. It even extends beyond the chapel services and times of worship. It extends to each student as they leave Southeastern and prepare to go out to fulfill their God-inspired calling. And as a supporting district, church, or individual, you are also a part of each and every student's calling and each and every success. May God continue to bless and lead you!

Blessings,

Kent J. Ingle, D.Min.  
President

## 2016 World Missions Annual Report

Imagining the Impossible is the challenge to evangelize the world. A mandate to preach the gospel of the Kingdom in all the world as a testimony of God's grace to all nations (Matt 24:14). This Old-Fashion Way is God's program for His Church. The method was simple, it's scope sweeping, its focus specific: *go into all the world, to all nations, and preach the "Good News."* Our mandate has not changed; go beyond the borders, so all can hear. We exist as a mission to send labors into the nations of the world – to fulfill Christ's mandate.

Let me give you a checklist for building missions in the local church:

- Develop an active Missions Team
- Hold an annual missions convention with a faith promise challenge. Motivate and challenge each person to make a faith promise commitment. Great missions giving and missionary producing churches do not happen by accident.
- A well-planned monthly mission focus (there are many resources on the AGWM website).
- Regular and frequent prayer for missions and missionaries. As people pray the mission of Christ, they take personal ownership.
- Regularly invite a Peninsular Florida Missionary to share and give your congregation an opportunity to sow seed into the harvest of World Missions.
- Adopt the yearly District Project, and allow this to be fuel in the fire of your missions program. In unity, God releases an anointing. Your congregation will be inspired to know they are doing something "great" by linking together with other churches to impact a nation/project. We are here to help assist you in any way to advance the cause of World Missions in your church. Please contact us if we can help in any way. Thank you for committing to the supreme task of worldwide evangelism!

Thomas Manning  
District World Missions Director

**Congratulations Peninsular Florida District  
leading our fellowship in  
World Missions Giving  
We saw an increase of \$317,098 in 2016.**

**Total World Ministries Giving  
INCREASED:  
\$3,735,507.00**

### **2016 TOP TEN LEADING DISTRICTS**

1 <sup>st</sup> Pen Florida	\$12,470,249
2 <sup>nd</sup> North Texas	\$10,122,418
3 <sup>rd</sup> Southern MO	\$9,833,117
4 <sup>th</sup> Potomac	\$8,837,882
5 <sup>th</sup> Northwest	\$8,469,451
6 <sup>th</sup> Minnesota	\$8,345,805
7 <sup>th</sup> Penn/Delaware	\$7,976,577
8 <sup>th</sup> Michigan	\$7,934,408
9 <sup>th</sup> Southern California	\$7,584,441
10 <sup>th</sup> Oklahoma	\$7,571,455

### **INTERESTING FACTS:**

#### **2016-370 Churches**

83 Churches (22%) Did not contribute to World Missions (Increase of 5% in 2016)  
111 Churches contributed the national average or greater (\$11,439 or greater)  
259 Contributed less than national average (70% of our churches)

#### **3 CHURCHES GAVE 25% OF TOTAL MISSIONS GIVING**

1. Orlando Faith Assembly of God	\$1,222,300.58

## ASSISTANT SUPERINTENDENT REPORT

**Scott Young**

In 2016 we saw 22 new churches launched in our PF Family. This has been a record-breaking year. We give all glory to the Lord for this amazing accomplishment!

We would like to thank everyone who has worked so hard to help this happen. I appreciate working with our **Church Planting Director Steve Coad** and our team. Our amazing group of PF Harvest Partners is helping to financially support these new churches (and we need more partners). We want to give a huge “thank you” to our church planters and their teams. We love you guys!

We are grateful to our church-planting partners at City Reach who in 2016 targeted Florida for special outreach and church planting. Maybe you could be the next leader to help target the vast harvest field of souls that is living all around us. Over 10 million people who live in our communities are waiting for us to do something.

We must continue to pray and support our many new church planters. They are on the front line of the spiritual battle for souls. The enemy wants them to fail, but God wants to give them good success! The greatest tool of evangelism is church planting. It is through church planting that the most people come into the church of Jesus Christ and are disciplined for the glory of God.

### **PAC Churches: Reaching Location & Language**

If you have a gathering of people who are reaching out to a different language group or location you may have a PAC church. PAC churches may operate fully under your church leadership for as long as you want, or be set up to eventually operate autonomously. The choice is completely yours. This is a very flexible method of starting new churches to reach the lost.

PAC (Parent Affiliated Church) churches exist to reach (the “un-churched” and the “de-churched”) people who are far from God and not currently fellowshiping with an existing congregation. Their purpose is to reach people who are restricted by language, social group, geography or other reasons from meaningful participation in an existing congregation. You can find out more information on PAC churches, and/or register your PAC church at [pfplanting.com](http://pfplanting.com).

### **We Are Here To Help You Grow & Develop**

We don't just want to start new churches; we want to strengthen our existing churches. To reach the lost in your community is going to take both focus and hard work. We want to help coach your church to success. To help grow your ministry Mike Tedder leads our team of coaches who help churches reach their Next Level of growth and development. The Next Level team has already helped many of our churches. Please connect with this team and see how they can help you.

### **US Missions**

We appreciate all our US Missionaries who are reaching out to hurting and lost people every day. **Greg Evans helps to encourage and support this team of ministers. We are thankful for the phone calls, prayers, meetings, and get-togethers that Greg has invested in to help support our US Missionaries.** Why don't you make plans to take a US Missionary to lunch sometime in the next 30 days? Our missionaries need our support.

Darla and I are thankful that are able to serve the Lord, our District Superintendent Terry Raburn and the presbyters, pastors, ministers and missionaries who make up our PF Family. Together we plant and grow great churches. We are better together!

***Look around you! Vast fields of human souls are ripening all around us, and are ready NOW for reaping.*** ~ Jesus (John 4:35)

In Christ,  
**Scott Young**  
Assistant Superintendent

### **Adult Ministries Department 2016 Annual Report**

2016 was a productive and busy year for Adult Ministries

1. The Power of Two support program added several new members which generated finances
2. New churches chartered their groups
3. Annual conference was held at Harvest Assembly in Lakeland, FL. The theme was "Unto the Least of These" and focused human trafficking. Our speakers was Missionaries David and Beth Grant. There were 4 breakout sessions with a different focus on human trafficking in each session. It was a very enlightening conference and well received.
4. A spring cruise was enjoyed on the St. Johns River aboard the Barbara Lee out of Sanford, FL.
5. In July, our adults enjoyed the scenic trip on the St. Petersburg waterways via the StarLite Sapphire
6. Our October cruise on the Capt. J.P. in Fort Myers, FL proved a success with a 4 hour trip to the mouth of the Gulf of Mexico.
7. The department participated in the 2016 Experience Conference.
8. Adult Ministries along with Men's Ministries sponsored two deep sea fishing trips in June with the Pastime Princess in New Smyrna Beach and November with the Super Queen in Clearwater.
9. The Finish Strong name is continuing to strengthen. We start strong, stay strong, and must finish strong in our pursuit of the Lord Jesus and His plans for the department and our individual lives.

### **Adult Ministries is moving forward in 2017**

Thank you to all who contributed to the financial stability of the department.

**& Credentialed Ladies**

So honored for the opportunity to teach Pastoral Ministry at Florida Bible Institute and to be able to invest in the lives of the students as they move toward receiving their credentials!

Our credentialed ladies are responding to the call to mentor those younger ladies who are studying for their credentials also.

Opportunities are opening for speaking engagements, testimonies, counseling, ministry to all ages and one on one ministry to one-another!

Ordained-17  
 Credentialed ladies-6  
 Licensed-9

**Florida Bible Institute**  
**Director Jo Wiley**

We **"Share"** in prayer, encouragement, testimonies, family high-lights, devotions and getting to know one another.

***Our Theme "A Heart to Know Me" Jeremiah 24:7 "I will give them a heart to know me"***

Those that love God also love one-another and care about the needs of their sisters in Christ. Our **"Goal"** is to help facilitate the ministry gifts of each lady to further the purpose and plan God has for her life. Our **"Strategy"** is to plan events and utilize our new **"Face book Group"** (Credentialed Ladies of Pen Florida) to reach out and equip those in our sphere of influence where God has placed us.

Pen Florida District has  
**41 Credentialed Senior Pastor's wives**  
**10 Credentialed Lady Pastor's**  
 Approximately **374 Credentialed Ladies in Pen Florida**  
**Face book for 218 Credentialed Ladies**

## A Glimpse into Girls Ministries 2016

2016 started off with an incredible Refuel Leaders Retreat at Masterpiece Gardens in January! We had 139 Girls Ministries Leaders gathered together to seek the Lord and what he wanted to do in their lives and in the lives of their girls. We were encouraged, equipped and empowered to do the work of the ministry! We spent many hours around the altars in prayer for one another! God showed up and moved powerfully in each heart and life! When you make a place for Him, He comes!

Powette was powerful! We had about 980 women and girls gathered together at Camp Wilderness in Fort Meade. Michelle Tepper, with Ravi Zacharias Ministries, brought a powerful word! Our theme was "Unstoppable" and God showed Himself as an unstoppable God in so many ways! About 5 weeks before Powette, I received a phone call that the camp was flooded it was suggested that we may need to look for another location. I woke up a few nights later with the enemy in my ear saying over and over, "what are you going to do?" I got up after a while and began to pray and ask God what to do, asking Him what He wanted to do. I heard Him gently say, "Trust me." The next day I awoke early, with my Bible and notebook in hand, headed for my quiet place. I began to write out the promises of God and the scriptures where God showed Himself mighty. I called my Reps and asked them to pray and fast with me for the next 30 days, asking God to hold back the rain and dry up the ground. Every week I would go down to the camp and walk the grounds and pray. I will tell you in those 30 days it only rained just a couple hours, the river went back into its bed, the ground dried up and God kissed us with the most beautiful weather! Not only did He do all that, we had the least number of visits to the nurse, we had girls come to know Jesus, hundreds of girls were filled with the Holy Spirit Saturday night, girls were set free from bondages and a woman was completely healed of a back injury that caused her to be in constant pain! Tell me, is there anything too hard for our God? The girls left knowing that we serve an unstoppable God, who has unstoppable love for us and we become unstoppable in the power of the Holy Spirit!

In June, 14 members of the GM Team went on a 2 week missions trip to Montana. We went with Kim (Montana GM Director) and Rich Greenwald, Rural America Missionaries. When we left, the Lord spoke that we were to "go and serve asking nothing in return." We saw so many walls come down through loving and serving the local Pastors and leaders. To God be all the glory! During the 2 weeks, we traveled over 2200 miles and ministered in 7 different churches. We put on Kidz Blast outreaches to reach and minister to the children in their communities. We also were able to minister to the church leadership teams in the evenings. It was an amazing time of encouraging and ministering in the rural communities! We ended at Girls Mountain Adventure where I had the privilege of speaking to the girls and women. The team also directed activities throughout the camp. Pen-Florida Girls sowed over \$5000 into Montana Girls Ministries! We are excited to hear testimonies and see the fruit of our labors!

We had incredible Coins for Kids sleepovers throughout the state in the Fall! Many girls were saved and lives were changed for eternity! Our sleepovers are lots of fun but also have a missions focus. The girls learned about Jangdea, our CFK missions project for 2016. The girls in Pen-Florida brought in over \$18,000 for this project of building a school in Senegal.

October brought a wonderful time with our High School girls at Thrive! We love connecting and ministering to the 9-12th grade girls at this event. We had so much fun with a late-night scavenger hunt and black light party! The girls were also ministered to throughout the weekend in the services and then a special breakout session just for them on Friday afternoon! This is open to all High School girls throughout the state. We believe in partnering with our Women's Ministry to connect the girls and women!

I spent much time on the road traveling and visiting churches in 2016. From Jacksonville to Key West, St. Petersburg to West Palm Beach and Fort Myers and many cities in between! It was a joy to minister to the girls and women across the state. We have seen growth in gender specific discipleship ministry in the local church and that just thrills my heart! We have an incredible team that loves to train women in the local church in ministering to and mentoring girls.

God has blessed Pen Florida GM with an incredible team of women across this state! I am privileged to work with such amazing, Godly women! Each has such a passion for the Lord, His Word, His Spirit and Presence, to see girls lives changed for eternity! We work together in building His Kingdom and I am blessed to serve with them! It is a privilege to serve the local churches in this incredible District! Looking forward to 2017 and all God has in store for the girls of Florida!

Mpacting Generations,

Bonnie Pait

# Royal Rangers 2016

We had another great year in 2016. God showed up at our events as only He can, with hundreds of salvations and many filled with the Holy Spirit. God continues to honor the hard work and dedication of the men from our local churches as they mentor the next generation of Godly men. Without these dedicated men serving in our churches we couldn't reach the boys from our local areas. I know that God is honored by this impacting ministry to the boys of Pen Florida.

We continue to have good participation at all our events. Our Pow Wow continues to be one of the largest in the Nation. We were honored last year to have our new National Royal Ranger Director Karl Fleig and the National Director of Children's Ministries Mark Entzminger in attendance. They just came to attend and spent time with local commanders and helping with different events. I think it speaks of their dedication to God for them to come. The commanders from our local churches saw them helping out while they were given the opportunity to meet as well as discuss the ministry. I think it made an impact on some leaders that they won't soon forget.

Last summer we had over 100 attend the National Camporama in Missouri at the Camp Eagle Rock, the National Royal Ranger Camp. Everyone said it was the best one ever! The activities for the boys were great and they had world class speakers in every service. I know many lives were changed at this great event.

Last year we added 6 or 7 new outposts that had never had Royal Rangers before. We also had a couple of churches start the ministry back up that hadn't had Rangers in several years. We also had many training classes with leaders from all over the District attending. This will certainly help them to minister to the boys in our churches better in the future.

Finally, I would like to personally say thank you to all of the Churches and Pastors that support our ministry across the District. By supporting the men and boys in your churches and allowing them to participate in the things we do across the District, you allow many boys and men's lives to be forever changed. Without your support they would never be able to have the impact that they do. We are looking forward to even better things in 2017 and the future. Please let us know if there's anything we can do to help your churches Ranger Ministry to grow stronger.

In His Service,

Doug Moon

## **MEN'S MINISTRIES 2016 ANNUAL REPORT**

### **MoMENTum Conference**

- Theme: MoMENTum Standing in the Gap
- The Men's 2016 conference was held April 15 & 16 at Faith Assembly of God in Orlando, Florida
- Faith's facilities and staff did an excellent job hosting the event
- Three hundred, sixty-nine men from 58 churches attended
- Men reported life-changing impacts from the powerful general sessions with Baseball Star Darryl Strawberry along with the twelve equipping speakers with their relevant and practical insights. The altars were filled with men encountering God.

### **MoMENTum Golf Tournament**

- This event was enjoyed by 16 golfers at the Eagle Creek Golf Club in Orlando, Florida
- Each organization sponsoring a hole received recognition at the hole and in the MoMENTum Conference handbook

### **Bass Fishing Tournament**

- Unfortunately, because of the hurricane, the October 2016 Bass Fishing Tournament on Lake Okeechobee had to be canceled.

### **South Regional Event**

- Sec 16 Presbyter Billy Cole hosted this event at Real Life Church in Coconut Creek
- Featured general sessions speaker was International Evangelist Pat Schatzline
- Sec 15 Presbyter Russ Jones, Sec 16 Presbyter Billy Cole, Sec 17 Presbyter Russ DeBord, Pastor Tom Manning, Pastor Matt Larson, and International Evangelist Pat Schatzline presented equipping sessions
- Fifteen churches were represented by 45 men

### **Men's Rep Retreat – August 26-27**

- Friday, sectional reps met for a productive time of prayer and planning while their wives enjoyed a shopping trip with Fran Hensel
- Friday night, everyone enjoyed the food, music, and comedy of Pirates Dinner Adventures
- Saturday, reps and wives enjoyed breakfast and the oddities of Ripley's Believe It or Not

### **Combined Events with PFDC Adult Ministries**

- June 24 was the date of the summer Deep Sea Fishing trip on the Pastime Princess docked in New Smyrna Beach with sixty-six people from fourteen churches registered.
- The fall Deep Sea Fishing trip on November 5 was enjoyed by fifty people fishing on the Double Eagle docked out of Clearwater. Twelve churches participated in this trip.

### **Armor Bearers**

- Fifty-four men participated in this grass-roots support system
- The program challenges the men of the Pen-Florida District to live in integrity, unity, and faithfulness while supporting the district Men's Department with a \$10 monthly contribution
- Has served as an income resource for both the department and the sections

### **Ministry Champions**

- This incentive for churches introduced in 2015 has grown as churches have come on board
- It is purposed for churches to support the district Men's Ministries with monthly contributions thereby facilitating the advancement of ministry to men
- Churches who subscribe receive a complete Week of Prayer and Fasting kit for their use

Thank you, Men's Ministries reps, for your continuing good work in your sections! John R. Hensel  
PFDC Men's Ministries Director

We appreciate the churches and individuals who contributed in 2016.

Ministers' Contributions 538.85  
Church Contributions 3,194.06  
**Total Contributions \$7,895.41**

The last U.S. Census shows that women are the majority population in the United States by a slight margin and in the church they have historically been the greater margin. Not only are they typically the largest population of any pastor's congregation, but they have greater pressure, needs and influence than ever before.

Author Bev White Hislop says, *"The physical, emotional, mental and spiritual needs of women may be greater than at any previous time in the history of the United States. There may have been more traumatic circumstances in the lives of American women, but there probably has not been a time when women have had fewer helpful connections and less effective shepherding."*

These are only a few factors that contribute to ministry to women being an important focus of the church. We can't afford to not have specialized ministry for women. Thankfully we have leadership in our district that believes this, and are in 100% support of ministry to women.

Strengthening women in leadership who are on the frontlines is key, and we began our year doing just that at the STRONGER Conference. The general sessions, practical leadership tools and networking was a tremendous blessing to the 400+ female ministers, pastors' wives, women's ministry directors, business women, up-and-coming leaders, and more. We continue to receive testimonies about how the Stronger Conference impacted lives.

PF Women hosted a leadership luncheon at District Council and this was a great occasion to share with ministerial leadership of our district about ways our department can serve them and what God is doing in PF Women. It was also occasion to refresh, renew and laugh as four of our pastors became stand-up comedians for the afternoon and entertained us. This was the greatest attended luncheon sponsored by our department in district council history or so we are told. We are encouraged all of the support.

On the heels of district council, we hit the ground running with THE EXTRAVAGANT TOUR that went to 18 cities in our district, all across the state. We gathered at altars from coast to coast, receiving God's extravagant love and believing for extravagant things for our lives, our churches, and our district.

Momentum continued to build for the upcoming THRIVE Conference. The most important thing that happened all weekend at THRIVE was that 17 women received Christ as Savior, and several hundred were baptized in the Holy Spirit. We are still receiving reports of healings and lives changed through connecting with others in the sisterhood that is PF Women. We had 20 new churches who participated and pretty quickly sold out of the largest room block in our history!

PF Women Talk Radio continues to reach out all over Pen Florida and around the globe with important subjects that affect today's woman. Our online presence continues to increase as we engage women daily in conversation.

Touch the World missions has gone to a whole new level, as we took a team of women from our district to Kenya for 16 days in November. While there we ministered at the National Assemblies of God Women's Conference for Kenya, at the Kenya Teen Challenge, in the Mathare Valley Slums, and many

local churches. All in all we did over 26 services or presentations. Pen Florida women raised the funds to provide furnishings for both the women's and men's dormitories of East University (AG) where ministerial students are trained. We also raised funds to provide a scholarship for a woman to attend the university. And, we raised funds to provide meals for children in the Mathare Valley slums for 3 months as well as provided school shoes and curriculum for the year.

PF Women continues to raise funds for Touch the World to provide for our Pen Florida missionaries household goods, as well. And our missionary adoption program is going strong for the second year in a row and provides each missionary or missionary family with an adopting church who provides extra TLC in the way of gifts on special occasions and prayer support. Special thanks to Shay Cole who leads the adoption program and does such a great job.

We are so thankful to all of our supporting churches as well as our 1000 Sister partners who make the advancement of PF Women possible. For the third year in a row we are in the black and able to do more for God than we have ever done, thanks to His empowerment and your giving.

We are gearing up for this spring/summer tour: THE JOY TOUR 2017. We will be making stops in 17 cities and are believing for amazing things as we move forward in the purpose, power and presence of God.

THRIVE 2017 is on track to be an unforgettable time in the presence of God. We will gather October 12-14 at the Daytona Hilton Beachfront Resort. Evangelist Beth Stephens, Jennifer Beckham, and Carol Kent will be among those bringing a life-changing word to our women. We will have breakout sessions for teen girls, young adults, women in ministry and more.

If I could accomplish something all on my own it would be pretty small. I am so grateful that **everything** that is done within PF Women happens through a TEAM. Our team works together in such love, joy and unity and it just gets stronger all the time. I am so appreciative of all of their prayer, passion and hard

work that they pour into what we do for God. I am especially thankful for my assistant – Erika Hendricks, who has served with such excellence and loyalty. Someone recently said to me that they love watching how we work together and I said, “You can get amazing things accomplished with this kind of loyalty.” As most in the district are already aware, Erika has accepted a pastoral staff position in Maryland and will be transitioning the first week of June. Words can’t even convey our gratefulness for her leadership and labors of love. PF Women would not be where it is today without her! We will miss her terribly, and at the same time we are grateful for a gift God has provided in Judi Cotignola. She is my new assistant and is a longtime supporter of this ministry and a loyal friend. I am confident that the bond we already have will serve us well as we work together to fulfill the purposes of God.

I am also thankful for the support of our Superintendent, first lady, executives and spouses, presbytery and spouses, and most of all my family.

You can expect the incredible this year from PF Women because God is in charge and He is working through a team! We give Him praise and glory for an incredible year last year, and for the one to come.

I love you,

Deanna

We want to thank our 100 Churches  
who have supported us in 2016:

North Fort Myers Faith Assembly	\$1,600.00
Kissimmee Living Water Fellowship	\$1,275.00

Oxford Assembly	\$120.00
Newberry Christian Life Fellowship	\$50.00
Dunnellon River Life Church	\$50.00
Tampa Heaven's Destiny Assembly	\$25.00

*Touch The World*

In 2016, PFYouth saw some dramatic changes within our leadership team. In May, our previous District Youth Director Al Force transitioned out to become the lead pastor of Oceanway Assembly of God in Jacksonville and Casey Casal was appointed to the role of District Youth Director of Pen Florida after 16 years of youth ministry and most recently Student Ministry Director at Church of Hope in Sarasota. Casey and Lenore started their appointment as DYD in June 2016.

## YOUTH

After the transition of District Youth Directors there was an addition to the 4 core values that have shaped PFYouth! The original 4 were Community, Leadership Development, Life Changing Events and Missions. The 5<sup>th</sup> Core Value added was *Holy Spirit Centered*. While we understand that the Holy Spirit has always been foundational in PFYouth we wanted to be sure that it was seen as a focus for us as a movement. It is our hope and prayer that every student be filled with, every leader know how to teach on, and that every youth ministry experiences the power of the Holy Spirit in supernatural form. We are ready to see incredible church growth the way it was initially experienced through a movement of the Holy Spirit in Acts 2.

We are blessed with an incredible leadership team for PFYouth. Thank you to those who served as our Assistants Johnnie Wilson (Chris Screws), Secretary Josh O'Connor (Kristian Reyes) and Speed the Light Strategist Jeff Johnson for their creative minds, unwavering support and belief in the Youth Department mission. Our sectional reps and STL Coordinators are also such a critical piece in much of what we do. Brandon Strickler (STL-S), Eric Delaney (STL-N), Dan Meys (1), Eddie Stith (2), Michael Lugones (3), David Houck (4), Nate Buker (5), Mark Hylton & Chris Arroyo (6), Chris Lewis (7), Wallace Phaire (8), Adam Rugland (9), Kyle Judah (10), Jeff Johnson & Mark Hylton (11), Chris Rutledge (12), Nancy Turpin (13), Sam Neal (14), Sam Lopez (15), and Kristian Reyes & Cody Scott (16). Tim McDaniel has continued to serve faithfully as the Teen Bible Quiz coordinator and Ivette Valentin and Dan Anderson have served well as Junior Bible Quiz Coordinators. Tammy Stanley serves at the Youth Department's assistant. She works tirelessly to make sure all the details of our events are covered as well as a plethora of other administrative needs for PFYouth. Jinny Force helped in major ways for the PFYouth Leaders Conference and District Fine Arts. Lenore Casal has stepped into the role effortlessly. Lenore's passion for ministry, for the young ladies and pastors' wives of our district is evident in her prayers and all she does in helping plan for the events. What a blessing to have her by my side as a partner in ministry.

**The PFYouth Leaders Conference** was held February 25-27 at Faith Assembly of God in Orlando. We saw 400 youth leaders from churches all over our district come and grow together. Six main sessions were led by Al Force, Jeremy Donovan, Johnnie Wilson, Phil Urdiales and Doug Witherup. There were 24 breakout sessions that were specifically focused for the lead youth pastor, volunteer leaders, as well as leadership development. PFYouth has amazing pastors and volunteers that believe in this generation of students and have sacrificed so much of their time to see young people changed and transformed. Since leadership development is a core value of PFYouth there is a high priority placed on who is brought in to share in both main sessions and breakouts.

**Bible Quiz** is an awesome discipleship tool that challenges students to not just read the Word, but to memorize the Word. *Joshua 1:8* "This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success."

**Junior Bible Quiz** represented well! Pen Florida was able to send four teams to the National JBQ Festival. They placed in the following manner:

- Lakeland Victory Church - 20th Place
- Port Saint Lucie Highpoint Church - 71st Place
- Fruitland Park LIFE Church - 77th place
- Orlando Faith Assembly of God - 82nd place.

With the exception of Orlando Faith Assembly, this was the first time at Nationals in a long time for the remaining three teams.

**Teen Bible Quiz** also did in incredible job! Wesley Chapel Victorious Life Church and Jacksonville Freedom Christian Fellowship qualified to advance to the National Bible Quiz Finals in Springfield, Missouri. The teams placed first and third, respectively, at Regional Finals, where Wesley Chapel was undefeated. Although Jacksonville was unable to make the trip to Nationals, Wesley Chapel represented PF Youth by tying for 14th in the nation. Senior quizzier Shannon Wolf (WC) was 10th in the nation in individual scoring.

**Chi Alpha** continues to change the face of colleges all across our state. We are seeing some remarkable things happen on the college campuses. Our campus pastors in the state include Rev. Steve Michaels who has made a sideways transition from the main campus pastor to solely focusing on international students at the University of Florida; Rev. Joe Lortie from the University of Miami; Rev. Charmaine Townsend from the University of Central Florida, Rev. Chris Kennedy at the University of South Florida. Rev. Chris Wheeler who has officially been accepted and appointed to be a Chi Alpha Internship center out of Fort Myers First Assembly of God; and Rev. Lee Jenkins focuses on the Muslim students that attend University of South Florida. We are so thankful for all of their incredible work for the Kingdom.

**The Fine Arts Festival** is such a great tool not just to develop and deploy their gifts but also a great way for them to be discipled. Our district festival was held April 28-20 at Faith Assembly in Orlando, where we saw over 1,700 students participate in over 1,500 events. We are proud of those who advanced and participated in the National Fine Arts Festival on August 3-7 in Louisville, Kentucky. It is surreal seeing the amount of students who participate at the National Level from Pen Florida! The talent that this district is blessed with is incredible. Lenore and I are so proud of all that they have accomplished.

#### **National Fine Arts Festival: 115 TOP 10 PLACEMENTS and 41 TOP 3 PLACEMENTS**

##### **National Merit Award Winners:**

Christian Band – Ormond Beach Calvary Christian Center  
Drama Ensemble Small – Southwest Ranches New Hope  
Instrumental Ensemble Contemporary – Ormond Beach Calvary Christian Center  
Musical Theater Solo – Mitchell Loveland – Orlando Faith  
Percussion Unconventional – Orlando Faith  
T-Shirt Design – Steven Rose – Lady Lake AG  
Urban Troupe – Orlando Faith  
Vocal Ensemble Large – Orlando Faith  
Vocal Solo, Spanish Female – Janisse Quinones – Kissimmee Living Water Fellowship  
Worship Team Large – Orlando Faith  
Worship Team Small – Ormond Beach Calvary Christian Center

##### **National Award Of Merit Winners - Kappa Tau**

Drama Ensemble – Orlando Faith  
Human Video Ensemble – Orlando Faith  
Male Vocal Solo – Dominic Polverino – Orlando Faith  
Rap Solo – David Famous – Orlando Faith  
Urban Solo – Daquan Goodson – Orlando Faith  
Urban Troupe – Orlando Faith  
Worship Dance Solo – Nikki Martell – Davenport Ridge  
Worship Dance Troupe – Davenport Ridge

**Summer Camp** In seven camps we saw 2500 people! Our week four youth camp saw over 600 students and leaders and we are expecting even more growth in the years to come! This year we saw 143 first time decisions for Christ, 722 rededicated their lives, 426 felt a call to ministry and 1196 were filled with the baptism of the Holy Spirit with the evidence of speaking in tongues! God moved and we are thankful that 363 were HEALED emotionally, physically or spiritually. We truly saw God do the miraculous and continually believe for more. Thank you to all the youth pastors and leaders that spent a week with students, who sent students and who helped lead camp in so many areas. A big thank you to Pen Florida District Kids Ministries Director Sydney Morrow and her team for leading an amazing 2 weeks of kids camp.

**Miami Missions** Over 120 AIMers went into Miami on June 13-17 and served the people and shared the Gospel in a great way! Students were able to work on local schools and help prepare for the coming year and show the true meaning of servant evangelism. They also were able to hit the streets and minister one-on-one with people in Miami and saw many touched by the power of God. Miami Missions is continuing to evolve and we are looking to a great year ahead. So thankful for David Houck and his team for leading the way and truly believing in one of the most powerful trips a student can go on as they reach those in their own back yard!

**Costa Rica** We had such an incredible time! We had over 20 go on the trip to work with Missionaries Jay and Nancy Dickerson. We were able to connect with a local school and hold “Campamento Chicos y Chicas” which brought over 50

children in 5th and 6th grades in from a local school. Many of these young girls and boys have been abused both physically and sexually and they had many walls put up, but God moved and within the first day he broke down walls and changed their lives. We had small groups with them playing soccer, volleyball and even taught them American football. I even had a few of them chanting the Philadelphia Eagles fight song! What an amazing experience this was. We are thankful to Brandon Strickler from Fort Myers First Assembly for leading this team as well as Eric Delaney of Jacksonville Southside, Sam Neal of North Fort Myers Faith, and Emily Thomas from Interlachen Bethel. They brought their students and leaders and made an impact in Costa Rica for the Kingdom of God.

**Fusion** This is one of our largest events! It is an awesome time for students to come for two days and get their lives significantly impacted! Fusion was held at Orlando Calvary on November 11-12. We saw over 2500 students and leaders attend this year's Fusion. Planetshakers led in worship, Chris Durso spoke on night one, Joe Gordon shared for our Speed the Light service, and Rich Wilkerson Jr. closed us out. The Holy Spirit was evident, the intimate atmosphere of worship was special and God moved in many lives.

**Speed the Light** is what missionaries depend on for essential transportation and creative communication to see souls saved and lives changed. It has been incredible to see all that Speed the Light has provided this past year. In 2016, \$428,570.12 was raised for Pen Florida Speed the Light. With that we were able to purchase 12 vehicles, one Semi, one swamp boat, 1,095 tablets, one sound system, one food trailer and gave two church grants! We are so thankful for the churches that help make STL a success and understand the vision of Speed the Light. We are looking to hit over \$500,000 this year and we firmly believe this can happen because more and more churches in our district are seeing the impact STL is having around the world.

To follow is the total giving list from churches in 2016. We deeply appreciate the efforts of the local church so that we can see missionaries "got into ALL the world". We also would like to challenge all who gave in 2016 to give 10% more this year! Help us reach the \$500,000 mark for STL Giving.

In 2016 churches gave \$11,233.08 in support of the ministry of PFYouth. In 2017 we need your support to go Where God has called us to go. Join us in helping this generation and support PFYouth financially. The best is yet to come!! Log onto [www.PenFlorida.org](http://www.PenFlorida.org) and support your district youth ministries! Help us create a new culture of students and leaders, FILLED with the Holy Spirit, HUNGRY for righteousness, PASSIONATE for missions, and DESPERATE for revival!

Lenore and I are blessed to be a part of this incredible district and honored to serve alongside some of the best youth pastors around. We are also humbled to work with such a phenomenal district team. Let's make an impact together as a district!!
