The honor to serve this great District is something Kathy and I do not take for granted. Individuals such as Superintendent Terry Raburn, Assistant Superintendent Scott Young, Treasurer Wayne Blackburn and our District Presbytery elevate us and make us better serving together. Thank you for this privilege. Great appreciation to Yohanna Irizarry for her 19 years of unbelievable service, loyalty and love to us and Peninsular Florida District Council. Natalee Smith continues to serve with excellence as credentials administrator and District School of Ministry liaison. Finally, my words can never adequately say thank you enough to Kathy, my wife for her continued selfless service and volunteer help to us all. District School of Ministry Director Tim Lastinger, PF Kids Director Sydney Morrow and League of Christian Schools Executive Director Michael Burroughs each serve with favor and commitment advancing this church thru their areas of responsibility and more. Thank you!

Once again, our 2018 report is based on preliminary data shared to our office from the General Council of the Assemblies of God in Springfield, Missouri. The 2018 All Church Ministries Report comprehensive data will be available later in the year at <https://ag.org/About/Statistics>.

PF Kids Director Sydney Morrow continues to serve with passion, call, and excellence. Thanks, Sydney, for a job well done! The PF Kids report is included.

Tim Lastinger directs our District School of Ministry and oversees our faculty, serving with passion and continued vision. Thank you, Tim, for your labor and excellence. The DSOM report is included.

Executive Director of League of Christian Schools Michael Burroughs leads with incomparable vision, passion, and excellence. The LCS report is included. Michael continues to bless the Peninsular Florida District Council as our IT liaison, way outside the boundaries of his job description. Thank you, Michael!

In 2018, BGMC closed the year with \$1,291,867.19 through your faithful giving. The team of Sydney Morrow, Chuck Padgett, Tom Manning, and I thank you for believing in making the impossible possible for missions! A report of giving churches is included. Eight out of the top 15 giving churches nationally were from Peninsular Florida District. Fifty of Peninsular Florida District Council churches were in the top 100 giving nationally. Once again, our Girl's Ministry, under the leadership of Bonnie Pait, gave thru Coins for Kids raising \$17,287.24 for BGMC. Our Royal Rangers, under Doug Moon's leadership, gave thru Master's Toolbox, raising \$23,312.53 for BGMC.

The 2018 Experience Conference was a highlight with "ABOVE & BEYOND – TAKE 2" after the 2017 cancellation due to Hurricane Maria. Experience 2018 bounced back strong! The ministry of General Superintendent Doug Clay and Pastor Rob Ketterling was exceptional. The breakouts were well attended and reports came back that this 2018 may have been one of our best church ministry conference yet. Thank you to all that contributed and assisted in making this equipping event happen.

Respectfully submitted,

Steve L. Powell

Christian Education Director

# PF KIDS Annual Report 2018

**Kids Camp 2018:** Last summer we had a blast at Kids Camp with our AG National Director of Children's Ministries, Mark Entzminger. Our theme for Kids Camp was The Quest, as we helped our kids explore how much Jesus loves them and how He had great plans for their lives. What an amazing two weeks we had at camp! They were challenged to know that Jesus loves them, and they can love Him back; God can be trusted no matter what and because the Holy Spirit empowers us, we can know that God has an Incredible plan for my life. We had over 900 in attendance

between both camps. We saw God do some amazing things in kids' lives as well as in our leaders. Between both week 1 and 2 we had 100 kids say that they asked Jesus in their heart for the very first time! 159 kids told us that they rededicated their life to Jesus at kid's camp. In addition, we had 320 kids say that they were Baptized in the Holy Spirit with the evidence of speaking in other tongues. God is still in the business of empowering His kids! We also had 96 kids say they felt God calling them to full time ministry in some capacity, including missions. We are so excited about what God is doing in our District in PF Kid's ministries. Our kids are doing incredible things for Jesus as they are understanding that God has given them everything, they need to live for Him. These are exciting times to be a part of PF Kids! We are in full swing and preparation for Kids Camp 2019. Our speaker for this summer's camps will be Sydney Morrow, and a team of PF Kids Leaders. Our theme for this summer is "Come Alive." Our desire is that kids will understand that according to John 10:10, Jesus came that we may all have LIFE, and have it to the FULL! We want kids to Come Alive this summer in their heart, soul, mind and strength. Kids Camp 1 will be July 15-19, and Kids Camp 2 will be July 22-26. This summer we also will be having a Camp Missionary, Shawn Deal with Africa's Hope, bringing an incredible emphasis on Missions and BGMC at our camps. Shawn will be speaking in our morning chapels and helping the kids to understand their roles to Pray, Give and Go. We are so excited to see what God is going to do this summer, and we are believing for an incredible increase at our camps in 2019. Thank you to all the pastors and leaders who invest in your kids and young people by allowing them the opportunity to experience Jesus at Kids Camp. We truly believe PF Kids Camps are the BEST WEEKS OF SUMMER! Registration and forms available now at [www.pfyouth.com](http://www.pfyouth.com).

**Fun Arts Festival:** Fun Arts 2018 was held on Saturday, May 11<sup>th</sup>, at Calvary Orlando. Fun Arts is similar to our student program, Fine Arts, where kids are encouraged to discover, develop, and deploy their God given gifts and talents. We had around 250 kids participate this year in Fun Arts. We had such a great response from the kids and leaders; kids are excited about learning that they have gifts and talents the Lord has given them and cannot wait to use them in ministry. We would like to thank Pastor Ed Garvin, Pastor Mike Justice, Pastor Sheik Ally and all of the staff at Calvary for graciously allowing us to use their church and facility to host this incredible event.

**FOCUS Kids Pastor's Retreat:** This past February 7-9 we had our FOCUS Kids Pastors' Retreat at the Life Enrichment Center in Fruitland Park. We had around 80 people in attendance. It was an incredibly refreshing event, and everyone walked away with a renewed sense of their call and passion for what they do. Sydney and Robbie Morrow were the speakers and encouraged our leaders to stay connected and

make sure that they don't forget what God has placed inside of them. We will have our next FOCUS Kids Pastors' Retreat in February of 2021, and our guest speaker will be Brian Dollar, creator of High Voltage Ministries. Promotional information will be available early 2020.

**BGMC:** PFDC had another record-breaking year in 2018 for BGMC. This past year, the churches and kid's ministries of Peninsular Florida raised over \$1 million again to make this the 3rd time in three years for a District to go over the million-dollar threshold. Pen Florida had many churches in the top 10 in the nation. We are so thankful for all that is happening in our district for BGMC, and we will continue to dream Big so that missionaries can have the tools they need to reach people for Jesus! Our 2019 District BGMC Banquet Celebration will be on Thursday, September 12<sup>th</sup> at Victory Church, Lakeland.

Blessings!

## 2018 DSOM Report

It was the summer of 2008. I was married with 2 children, 1 in college, the other finishing High School. I worked a full-time job about 60 hours a week, was very active in ministry within my local church and every waking moment was filled with activity. Although I enjoyed life, I knew that I was not fulfilling the call that God had placed on my life as a teenager but going back to school to finish my degree seemed impossible to fit into my schedule and I had settled in my mind to be content with my plot in life.

Then came PF DSOM. My father called me and began to explain to me the program that he had created and said that if I was interested, I should sign up for the upcoming fall season. Instantly, I felt the Holy Spirit prodding me to pursue that course in life. It was the best decision apart from salvation and marriage that I have ever made. Now, I am having the time of my life as the lead pastor of an awesome congregation in North Central Florida and am deeply privileged to direct and oversee the District School of Ministry.

My testimony is just one of hundreds of people whose lives have been changed through the ministry of DSOM and many of those are now either ministering full time or are actively and skillfully engaged in their churches throughout Pen Florida and beyond.

This past year DSOM has had approximately 120 students with an average of 70 students monthly that attend one of our 6 campuses. Most of our campuses can be reached under a 1 and ½ hour drive for most students.

This year, we are excited to announce that we will be relocating our Sarasota campus to the Church of Hope and adding a brand-new campus at Calvary Assembly in Dade City. All the location details and schedules are included in your registration packet.

As always, I owe a great amount of thanks and appreciation to the District office staff and administration, the site coordinators and registrars, the host churches and pastors who so graciously provide their facilities at no charge to the District and especially to my wife who spends many Saturdays without me for the cause of DSOM.

If you are a lead pastor, I exhort you to encourage your parishioners to pursue DSOM to expand their biblical knowledge, form relationships with others throughout the district, glean experience from anointed instructors and become valuable leaders to be used for your church and God's glory.

In His Service,

*Tim A. Lastinger*

# League of Christian Schools

International League of Christian Schools & Florida League of Christian Schools

The League of Christian Schools continues to advance the cause of Biblical education in several states and countries. This past year LCS accredited Hope Christian Academy in Seattle, Washington, and added North Carolina as a state where we now have member schools. The value of our membership, compared with other similar national programs, is significantly higher when considering the return on investment for membership with the League.

In March 2018, we hosted the LCS Festival for Academics and the Arts at Southeastern University. Our 2018 event welcomed 1,628 students, in 1002 entries which was down 15 students and 25 entries from the previous year. We anticipated this event to be lower than the previous year as Southeastern University moved its spring break to coincide with spring break in most of our schools. The LCS Festival is one of the largest Fine Arts program in the nation. The Festival features student-level (grades 3 -12) competition for academics and fine arts to help students discover and refine their God given talents and abilities. Learn more about the festival at <https://LCS.Education/Festival/>.

As you may not be aware, Hurricanes Michael had some impact on several of our schools. However, Springfield Community Church Preschool in Panama City, Florida, sustained significant damage, disrupting school operations. We were able to collect over \$2,300 from our schools to help support the relief efforts for this program.

In October we hosted our annual leadership camp **Encounter**, a camp for middle school students from Christian schools designed to help them learn to live a lifestyle of honoring God through daily decisions they make. We were honored to have Michael Williams, Middle School Pastor at Faith Assembly in Orlando as our guest speaker. Michael was a blessing and made a HUGE impact in the lives of our students. We hosted 226 students.

The three pillars of the League of Christian schools are accreditation, certification, and professional development. To that end, LCS conducted 27 accreditations, certified 456 teachers, and performed 4,001 hours of training. Our growth has demanded expansion and we are thrilled to welcome Tobi Manke to our staff as the Director of Educational Accountability. Tobi and her family have attended Trinity International in Lake Worth for over 20 years. She was a teacher and department leader at Trinity Christian Academy before serving as head administrator for the past 6 years. Her primary role with the League is to oversee accreditation and certification processes and protocols.

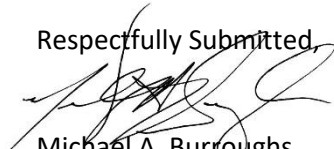

Last year, the League of Christian Schools hosted our annual conference in Orlando, FL, to a sold-out audience of 1,468 attendees and 25 exhibitors. LCS hosted 58 presenters in 119 workshops. Our keynote speaker was Dr. Mark Rutland and our guest Worship leader was Clayton Brooks from The Oaks.
