

Celebrating 23 years of Finish Strong Ministries 1995-2018

In 1995 the Pen-Florida District recognized the need for ministry to and from the mature adults of this peninsula and established the Adult Ministries Department known as AM. The department's name was changed in 2016 to Finish Strong Ministries Adult Ministries.

The department's core values are:

- * Ethical
- * Visionary
- * Entrepreneurial
- * Reliable
- * Loyal

Mature adults are encouraged not only to be served but to serve the Lord by using their gifts, talents, and abilities in ministry opportunities.

One way to begin to accomplish these goals is through the department's chartering program. Identify your mature adults with the district

department. Join with other Fellowships to reach, teach, and challenge other mature adults in Pen-Florida communities.
