DISTRICT SUPERINTENDENT'S REPORT

TERRY RABURN

“Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus. (Philippians 4:6,7)

2020 was a year of anxieties. We were not able to have many of our district events. All of our churches' ministries were reduced or cancelled. We lived from day to day not knowing what would happen next. However, in the midst of all the anxiousness, God was faithful. He met all our needs, kept our ministries functioning, actually expanded our outreaches, and brought more people to our ministries online, on campus, and on the World Wide Web, than we thought possible.

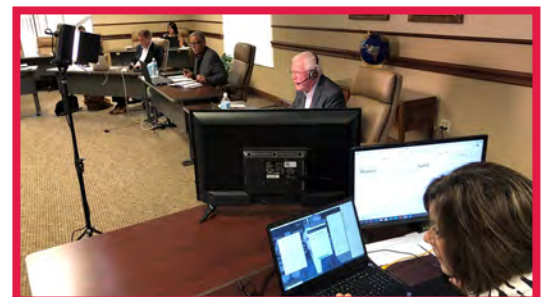

As you will hear in our financial report, The Lord kept us ahead of budget. Our missions giving was surprisingly strong. Pastors' tithes increased. We did not have to worry or be anxious about money.

Though we could not have most of our conferences, camps, or conventions, the Spirit led us to new methods for successful meetings and provided people with expertise to help us accomplish those meetings. We staged the only virtual District Council in history on September 17 after postponing it twice. We did not have to worry about meetings.

We were able to have our January Presbytery meeting live. Then we accomplished the Sectional Council tour the last week of February and the first two weeks of March. Jeff Fowler was elected to take the seat vacated by Gary Corley in Section 12. All the other Presbyters were re-elected on early ballots. There was great unity on the tour. We did not have to be anxious about our team.

Casey and Lenore Casal accepted the pastorate of Journey Church (now Dream Church) in Bradenton after four years of service as our District Youth Ministries Directors. I had the great honor of installing them at the end of August. Joe and Natalie Barnoske were nominated to follow the Casals and, after two months of interviews with the qualified candidates, Joe was appointed to be our new DYD. In a historic move, Natalie was appointed as District Director of Youth Alive. She and Joe pioneered that home mission to our public middle and high schools, and she is well qualified to be our District YA Director. We did not need to be anxious about our youth ministries!

We had our first ever Presbytery meetings by Zoom in June and October. However, the remaining meetings of our year were cancelled due to COVID protocols and our concerns for the safety of our people. That did not stop ministry. I was privileged to preach several Sunday services by video or livestream – and one drive-in style Sunday morning service for Pastor Gary Rice in Orlando. Our department heads quickly adapted to Zoom, and other electronic platforms, to hold their necessary meetings. Even the General Presbytery of the General Council met by Zoom in August. We did not have to be anxious about our ministry.

Southeastern University was able to have its Graduation on November 22, 2020, outdoors and socially distanced. I participated and graduated with my Doctor of Ministry degree. That was a historic day for me and ended much anxiety. I am very grateful to my Mentor, Dr. Alan Ehler, and all those who helped me graduate. I dedicated my dissertation and Doctorate to Athena.

I was able to attend a few important meetings. The Church Multiplication Network training conference was held near Richmond, Virginia, in July. That same week, the Superintendents of the Southeast Region met in historic Colonial Williamsburg. Then, I attended the annual Assemblies of God Executive Conference in Sarasota in November, along with the semi-annual meeting of the Board of Church Extension Plan. After months of shelter-in-place, those were enjoyable and energizing meetings with friends and colleagues.

As mentioned, God blessed Peninsular Florida to keep our missions giving at a high level. Todd Weston led Light for the Lost to its first million-dollar tour and final giving was \$974,865.97. Joe Barnoske led PFYouth to give \$383,050.65 to Speed the Light. Steve Powell was able to lead BGMC to give \$741,444.89 in 2020. Our district giving to AG World Missions was \$11,910,535.62, number 2 in the nation. Royal Rangers and Girls' Ministries, following District RR Commander Doug Moon and District GM Director Bonnie Pait, were large contributors to BGMC. We did not have to be anxious about our giving.

I am thankful to report to this Council that God has overcome every anxiety and fear the Enemy sent our way. Indeed, the peace of God has guarded our hearts and minds in Christ Jesus.

There is one more thing. Many of us lost much in 2020. You know my most crushing loss. God called Athena home on Sunday evening, February 9, at 7:45pm. After 50 years together, 4 years of dating and 46 years of marriage, she triumphantly entered the gates of Glory. My anxieties were indescribable. But God was faithful. The Spirit comforted me every moment and continues to give me strength to live life with her memories but without her presence. She was and is my love, my partner in ministry, my encouragement. I thank God for every moment we had together, even the year of chemo and the final six weeks of devastating kidney failure. You loved her as well. Your messages, emails, cards, and personal comments have continued the memory of her life among us, and sustained me. I can never thank you properly or sufficiently. I am grateful to all of you, and each of you. Several others lost their life-mates in 2020. We will honor our beloved dead together Tuesday morning. Thank you all for what you did for all of them. And, I thank you especially for what you did for Athena and me. I did not have to be anxious. You and the Lord got me through.

You know that Athena served as the Administrator of the Superintendent's Office. Her replacement was a huge concern for me and the entire team. Tammy McDaniel Stanley stepped forward and took on that massive challenge. She has handled the job with efficiency, effectiveness, and professionalism. She cares about the ministers of Peninsular Florida and their families. She wants God's will for our district. She is a perfect match and a tremendous blessing to me and the work of the Superintendent. I thank the Lord for her. I did not need to be anxious about Athena's successor.

Now, may the Lord keep you and bless you. May He lift His countenance to you and make His face shine upon you and give you peace.

Respectfully submitted,

Terry Raburn
Superintendent

DISTRICT ASSISTANT SUPERINTENDENT'S REPORT

SCOTT YOUNG

NEVER GIVE UP

*"One day Jesus told his disciples a story to show that they should always pray and **never give up**" (Luke 18:1). This year certainly was a year to practice a life of prayer and persistence. It was a joy to see so many of our ministers walking by faith in the midst of difficult circumstances. It is faith that pleases God, and faith that Jesus is looking for on the earth (Luke 18:8).*

2020 was a year of living by faith. We needed faith to give us the wisdom that we lacked, faith to keep our flocks safe, and faith to keep our eyes on Jesus more than anything else. Thanks for continuing to plant seeds of faith that will bring a harvest of souls. Always remember that the harvest will come, if we don't give up.

*"Let us not become weary in doing good, for at the proper time we will reap a harvest if we **do not give up**" (Galatians 6:9).*

NEW CHURCH PLANTING

Even in the midst of national problems there were bold ministry leadership teams who planted new churches for the glory of God. These are special churches that have been born in the fire with an overcoming spirit. We thank the Lord for these 2020 plants; Ocean Church (Cape Coral Area) Josh & Anna Hall; Arise India (Brandon Area) George & Shirley Matthew; Living Waters (North Kissimmee) Daniel & Sharlene Figueroa; and Metro Church (Jacksonville Area) Alan & Maryann Diaz. We have 11 to 15 churches in the planting pipeline to reach more people for Jesus.

You can find information and keep up-to-date by going to: www.pfplanting.com.

CHURCH MULTIPLICATION NETWORK

Church Planting is very important to the future of our movement. 20 percent of all Assemblies of God Churches have been established in the last eleven years since the establishment of CMN. CMN has invested over \$18 million to help launch over 4,000 churches since 2008. If you or someone on your team would like to learn more about church planting you could check out: www.churchmultiplication.net/training or attend the annual CMN Conference: www.cmnconference.com. CMN sponsors a church planting training week each January here in Florida.

CHURCH HEALTH & REVITALIZATION

Alton Garrison and his team have developed tools and training to help assess and assist church health. The Acts 2 Journey also provides tools to help bring growth and revitalization to church ministries. During assessment and revitalization the program addresses 10 questions: 1) Why do we exist? 2) Where are we going? 3) How should we behave? 4) How will we get there? 5) How will we engage new people? 6) How will we treat them when they arrive? 7) How will we disciple them? 8) How will we train them to serve? 9) How will we involve them in missions, both locally and globally? 10) How will we help them encounter God? They are bringing this training to our PF Family. To connect with more information that will help your church go to: www.acts2journey.com.

US MISSIONS

This has been a challenging year for US Missionaries to connect with both supporting churches and ministry opportunities. Yet, faithful Chi Alpha Missionaries have been reaching and discipling students on our university campuses, foster families have been supported, the poor have been helped and many other people ministered to. US Missionaries continue to help us reach the white harvest fields of our communities. We encourage you to connect with our Florida US Missionaries at: www.usmissions.ag.org/MissionaryLocator.

FORWARD

Having survived 2020 we can be sure of this, it will not be the last challenge we face. We continue to walk by faith (2 Corinthians 5:7). So there will be new challenges to overcome, new mountains to face and more rivers to cross. As we move forward into 2021 we will see new churches planted, more churches revived, and more ministers empowered by the Holy Spirit. In 2021 we will celebrate the silver jubilee of our District Pastor Terry Raburn as we honor his 25 years of service as our District Superintendent...Congratulations!

Thanks for the opportunity to serve the Lord together with our Executive Team, Superintendent Terry Raburn, Steve Powell, and Wayne Blackburn. It is a joy for Darla and me to serve with our presbyters, ministers and missionaries. We've come this far by faith...and we continue to walk forward by faith.

Look around you! Vast fields of human souls are ripening all around us, and are ready NOW for reaping.

~ Jesus (John 4:35)

In Christ,

Scott Young

Assistant Superintendent

DISTRICT SECRETARY'S REPORT

STEVE POWELL

This 2020 report will reflect on a year unlike any other. So much of our lives were forced into change, adaptation and isolation. I am ever grateful for our God of creativity and presence, no matter what transpired around us.

We still credentialed new ministers and advanced credentials. We planted new churches. Many churches reported strong tithes and offerings equal or greater than the previous year. Attendance was measured differently with online streaming services provided. Many have reported touching more lives than previously thought possible.

Our virtual District Council was a great success. Thanks to the many that worked so diligently to make that happen. Thank you for your love and support through it all. We celebrate each of you and God's great provision and goodness. We state emphatically to God be the Glory.

Kathy and I thank you again for the privilege to serve you alongside our District Leadership team and Presbytery. Thank you Yohanna Irizarry for your unwavering love and devotion these 21 years. Natalee Smith, credentialing administrator, serves faithfully and with excellence. Thank you. Lastly, Kathy continues to volunteer herself for our data/files with great faithfulness and excellence. Our team is blessed because of her. Also, Michael Burroughs our Executive Director of League of Christian Schools serves as our Web/IT liaison and works tirelessly to keep us advancing forward. Our Virtual District Council 2020 would not and could not have happened without he and his team's diligence and excellence. Thank you, Michael.

In closing, I would like to congratulate our Superintendent Terry Raburn who, while walking through the great loss of Athena, diligently persevered and completed his Doctoral studies. He has and still exemplifies the difference our God makes in walking through life challenges. Thank you, Terry, for your faithfulness. We celebrate you Dr. Terry Raburn as you have served 25 years as Superintendent of Peninsular Florida District Council of the Assemblies of God.

Our 2020 report is based on preliminary data shared to our office from the General Council of the Assemblies of God in Springfield, Missouri. The 2020 All Church Ministries Report comprehensive data will be available later in the year at <https://ag.org/About/Statistics>.

TOTALS	2019	2020
Ministers (See page 10-13)	1534	1541

CHRISTIAN EDUCATION REPORT

STEVE POWELL

As in our churches and General Council, much if not all our 2020 activity was cancelled due to the pandemic. Reports for normal activities and conference are not available.

However, with all the change and challenge, you the church found creative ways to connect and press forward. Many have reported that their small group connections grew online, and to God be the Glory!

I am grateful and so thankful for the leadership of PF Kids Director Sydney Morrow, District School of Ministry Director Tim Lastinger and League of Christian Schools Director Michael Burroughs for their continued faithfulness and creativity in these challenging times. BGMC in 2020 was over \$700,000. Your faithfulness through our children, pastors and children's pastors made that possible. 2020 was once again a year where Peninsular Florida District Council led the nation in BGMC giving. Thank you all for your substantial contributions.

We are all looking forward to a restored calendar and events for 2021!

May God give us this anointing and blessing as we build His Kingdom together.

Respectfully submitted,

Steve L Powell
Director

PF KIDS MINISTRIES REPORT

SYDNEY MORROW

The Year We Never Saw Coming....

We can all say that 2020 was one for the books. A year that was often challenging to navigate especially as leaders in church ministry. Shut DOWN... We Never Saw It Coming... but it did not take JESUS by surprise. This year has forced us to look deep into what we do and really focus on keeping the MAIN THING the MAIN THING and that is reaching kids and making disciples. 2020 was the year of RESET, the year where God caused us to reset our focus and to make sure that we did not try to bring into the new season that He was bringing us in with the same old mindsets. The methods of how we ministered to kids in 2020 may have changed but the message never deviated.

This year we may have not been able to have had any PF Kids in person events; like District Fun Arts Festival or Kids Camps or even a real BGMC push in our District. However, what we did see is Kids Pastors and leaders all over this District rise to the occasion and begin to shift their mode of ministry. We saw leaders begin to get creative in their approach to ministry to children in their churches. It was incredible to see the collaboration that took place in the kids' leadership in our district. Kids Pastors and leaders coming together for the good and for the goal of making an impact on the children in Pen Florida in the midst of unprecedented times.

We were not able to have any in person events in 2020 but what we did do is monthly Zoom Gatherings. Once a month we would come together over Zoom and we would encourage and challenge one another as well as hear from each other about ministry ideas. We often shared the challenges we were all facing in our specific places of ministry. We were able to bring some of our Assemblies of God National Kidmin Team to speak and encourage our Pen Florida Leaders, such as Mark Entzminger, David Boyd and Kelly Presson. We had so much fun, and we also got to "bear one another's burdens" as well as growing and learning from one another. These Zoom Meetings were the highlight for so many of us and we still continue them to this day because our leaders want to be connected.

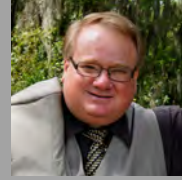

So, in a YEAR WE NEVER SAW COMING... we saw God develop things in our lives that we may have never had unless we were in a position to have to completely RESET. 2020 was a year of Victory for PF Kids and we will continue to see the hand of God mold and shape every Kids Pastor and leader for the purpose of reaching the kids of Peninsular Florida for the glory of God!

Sincerely,

Sydney Morrow
Director

DISTRICT SCHOOL OF MINISTRY REPORT

TIM LASTINGER

This year's report can almost be summed up in 1 word and everyone would probably fully understand. **COVID!**

Up until April, our enrollment was fairly standard averaging about 60 to 70 students a month. Once the pandemic had been declared and the uncertainties that surrounded it were constantly changing, we had no choice but to totally shut down the remainder of the school year. We were optimistic that September 2020 would bring back some normalcy, but it was simply not going to happen. Therefore, we made some adjustments and decided to go fully virtual having no on-site campus activity. The inability to promote DSOM at Sectional and District events that were also cancelled was a further blow to our enrollment for the start of the new school year and resulted in less than half of the normal number of students signing up. Our typical enrollment for the first 3 months of the school year averaged between 25 to 30 students. As we have continued into the 2021 year, it seems that students have adapted to the fully virtual format and it has forced us to examine the format of DSOM as we move forward in the year to come.

Previously, our plan was to expand the number of campuses to facilitate shorter drive times for students, however, that also increased our overhead and could be problematic with staff shortage in cases of sickness or emergencies. Therefore, we have decided to keep the virtual format in addition to on-site campuses, but the on-site locations would be reduced to only 3 locations throughout the district. Those locations would be Jacksonville, Kissimmee and Sarasota. Students who are not within driving distance of an on-site campus can tune in virtually and participate the same as on-site students. We will also be changing the Website portal over the summer to hopefully facilitate the ability to submit completed study guides and exams directly on-line. These changes will of course require a lot of work for us during the break but in the long run, will prove beneficial to all parties.

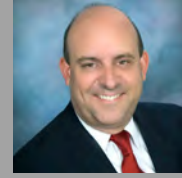

I would like to recognize our outstanding staff who work tirelessly to make DSOM a reality. First, to my immediate supervisor and dear friend Brother Steve Powell who has been a steady support throughout the year and to Natalee Smith and Michael Burroughs who are constantly working behind the scenes in the office to keep the wheels turning. To my excellent on-site staff who basically lost their jobs for a year and some who will not return, I cannot express enough my love and gratitude for all that you've done. I also am very grateful to the pastors and congregations of Evangel Temple in Jacksonville, Life Church in Kissimmee, Glad Tidings AG in Key West, Deland First AG, Church of Hope in Sarasota, Calvary AG in Dade City and New Hope Church in Southwest Ranches for the use of their facilities to conduct our schools. I would also like to recognize the awesome faculty of some of the finest instructors in the world. We could not do it without you. And to my wife and family along with my own church family, thank you for sharing me and giving me the opportunity to invest in the lives of so many students.

In His Service,

Tim A. Lastinger
Director

LEAGUE OF CHRISTIAN SCHOOLS REPORT

MICHAEL BURROUGHS

The League of Christian Schools (LCS) continues to be a leading voice for Christian schools in several states, continuing to be an advocate of faith-based schools to operate free from government intrusion. LCS also provided sound sample policies schools can use for medical marijuana, transgender enrollment and hiring issues, and other religious liberty encroachments. We have also been assisting the Alliance Defending Freedom (ADF) advance religious freedoms in Maryland and Montana, as the Supreme Court takes up a Christian school case on scholarships.

In 2020, the most significant trend was forcing private schools to accept LGBTQ students. This issue centers on a Christian school that accepts any form of local, state, or federal funds. In most states, as well as Florida, that would impact nearly every Christian school and preschool. The religious protections afforded Christian schools under federal law pertain specifically to hiring and firing of employees, rather than the acceptance of students.

In March 2020, LCS hosted the annual LCS Festival for Academics and the Arts to over 1,750 entries. This marks the largest increase for this event we have seen. Thanks to Sarah Emmons and the LCS Team this event was a huge success logistically. It is always a blessing to see so many of our pastors and their church schools participating in this great event. And a HUGE thank you to Southeastern University for being gracious and responsive hosts.

Last year was a stressful time for schools as governors in nearly every state closed schools in March. Private schools followed suit. Most of our schools did a fabulous job at implementing emergency procedures for educating remotely for the remainder of the school year. LCS hosted many large-scale webinars to address the growing concerns about reopening and what the future may hold. LCS is please to report that the majority (64%) of our preschools remained open during the quarantine in order to serve first responders, and essential workers. Additionally, LCS helped open 4 new preschools during the quarantine. AG News reported on this great news in a November article you can find here: <https://news.ag.org/en/News/Church-Based-Schools-Adapt-in-Pandemic>.

LCS cancelled the Encounter camp in October but decided to move forward with the LCS Educators Conference in Daytona Beach. On November 11 & 12, LCS hosted around 600 in-person attendees and an additional 500 virtual attendees from the Ocean Center in Daytona Beach. Thanks to the LCS staff (Sarah Emmons, and Director Tobi Manke) the event was a huge success. The night before the event, we discovered our keynote speaker had been diagnosed with a critical and dangerous form of cancer, forcing him to cancel. We are so grateful to Michelle Tepper, one of our great PFDC ministers, for stepping into the gap at the last minute. She delivered an anointed message that was on point and resonated with our attendees. God was so good!

We are thrilled to report our membership numbers below.

WORLD MISSIONS REPORT

THOMAS MANNING

The supreme task of the church is the evangelization of the world, to make disciples of all nations!

The Assemblies of God was birthed with a unity to fervently support our missionaries who would spread the gospel around the world. Our early leaders vowed to “commit ourselves and the Movement to Christ for the greatest evangelism the world has ever seen.” From our earliest beginnings to the present, the Assemblies of God actively and strategically maintains a missionary purpose. Let’s keep Christ’s mission our priority, and we will witness His supranational power released! God will bless as we carry the urgency of Christ’s mandate, “to go into all the world, and preach the Gospel to Every person.

The 2020 Covid Pandemic had a tremendous impact on churches being about to send construction teams, youth AIM Trips, Fundraisers, etc. Also, fewer missions services were offered due to building closures and virtual services. Lastly, with a virtual district council, there was no official 2020 District Missions Project. All of this resulted in a decrease in giving in 2020. The total giving was **\$11,910,535.62**.

As we move forward and rebuild our missions program. I challenge you to:

1. Set a Faith Promise Goal and at least once a year hold a missions convention.
2. Motivate and Challenge each person to make a faith promise commitment. Great missions giving and missionary producing churches do not happen by accident.
3. Regularly invite a Peninsular Florida Missionary to share and give your congregation an opportunity to sow seed into the harvest of World Missions.
4. Adopt the yearly District Project and allow this to be fuel in the fires of your missions program. In unity God releases an anointing and your congregation will be inspired to know they are doing something “great” by linking with other churches to impact on a nation/project.
5. Pray regularly for your missionaries. As people pray the mission of Christ, they take personal ownership.

We are here to help assist you in any way to advance the cause of World Missions in your church. Please contact us if we can help in any way.

Thank you for committing to the supreme task of worldwide evangelism!

Thomas Manning
Director

ADULT MINISTRIES REPORT

KEN PIPPIN

There is little doubt that the year 2020 will stand out as one of the most challenging years that Finish Strong Adult Ministries Department has ever faced, at least since I have been privileged to serve as its Director. Despite the challenges met, I am grateful to report that God remained faithful, and we were blessed to see many hearts and lives encouraged by the Lord.

Our annual Bike-A-Thon, held in October, gave \$1000.00 to three mission endeavors in our Pen Florida District. The funds were a blessing to the Teen Challenge Boys Facility in Southeast Florida, the Teen Challenge Southeast Women's Center in the Fort Myers area, and Florida Bible Institute. We appreciate those who joined us in riding for the Bike-A-Thon and those who made a financial contribution to sponsor the riders.

Thanks to social media capabilities, we could live stream a weekly thirty-minute program designed to encourage our seniors. We were fortunate to have as many as two hundred views during each live stream broadcast. We appreciate Pastor Randy Helms allowing us to make this live stream a part of our work with GT Church.

Before the Covid pandemic, Susan and I were privileged to share Finish Strong's ministry with many of our Pen Florida District Churches. We could not travel as much in 2020. Still, we are grateful to many of our churches Adult Ministry groups that continue to encourage their seniors. These groups look forward to again meet in a live setting for a time of worship and fellowship. We plan on contacting our churches' in 2021 to set up visits with their Adult Ministry groups and are looking forward to having the opportunity to share our vision for Finish Strong Ministries.

Although in-person meetings were not available because of the CDC social distancing guidelines, we could have Zoom meetings with the Sectional Reps of Finish Strong. We are grateful for each of these wonderful men and women who have continued to serve under these difficult circumstances. The work and commitment they provide for our seniors are critically important during these difficult times.

Although the year 2020 may have required the cancellation of many of our regular events, we were still blessed to have a great year financially in Finish Strong. Because of the "Power of Two" program that encourages our seniors to contribute \$2.00 per month to Finish Strong and the faithful contributions of churches and church groups, we saw continual growth in our funds throughout the year. Because of the financial growth and the continuing faithfulness of so many, we believe we can continue supporting missionaries and furnishing scholarships for our youth.

We are excited that the General Council Senior Adult Ministries Department will be again sponsoring a national conference in Branson, Missouri, this September. It has been several years since the last meeting, and I believe our seniors are ready to join together again share what God is doing in their churches. Registration is available online at www.ag.org.

I want to thank our Executive leadership for allowing me to serve in this capacity, and I am looking forward to what God has in store.

R. Ken Pippin

Director

Finish Strong Adult Ministries is very grateful to everyone who contributed in 2020 to this department's financial strength and accomplishments.

MEN'S MINISTRIES REPORT

JOHN HENSEL

We began the year with a very successful National Leadership Conference in Branson Missouri, January 26-February 1. We met first with the National Men's and LFTL Leadership team for an entire day of vision casting and strategy. Then we met the rest of the week with District Men's and LFTL lost directors from across the United States. We were able to train directors and implement new strategies to aide pastors in effectively reach and disciple men.

We were invited to be the Keynote speaker for the National Men's Conference in the Czech Republic in March 11-16. We learned right before our flight that the conference was being canceled by the Czech government. The leadership still asked us to come and minister to the pastors. While we were there the Lord opened the door for us to minister to the pastors. We also had the opportunity to help launch the first virtual service at KC Church in Most. God used both opportunities in a wonderful way. The Holy Spirit moved in homes as well with reports coming in of people rededicating their lives to the Lord, and an online attendance 4 times larger than the churches' regular attendance.

All the plans had been set in motion for our first time ever Men's District wide simulcast Rally March 20. Then, as the whole world knows, the Covid19 pandemic hit and everything changed. We thought that it would be over by Easter, however, we soon discovered that would not be the case. This impacted the Momentum Endurance Conference that was scheduled for May 1-2. We attempted to make the shift to a virtual conference, however the time frame was too short to allow us to get all the technical support into place. Therefore, we were left with the choice of postponing Momentum until May 7-8, 2021.

Even though ministry opportunities were limited, we were still able to work both locally and nationally to continue moving Men's Ministries forward. We joined in by monthly Zoom meetings with the National Men's Ministries Leadership Team, and quarterly Zoom meetings with all the District Men's and LFTL Directors. We also held regular Zoom meetings with our District Men's Sectional Representatives. We were able to strategize on helping pastors keep effective ministry to men going during Covid19, as well as set the plans in motion for the Regaining Momentum Virtual Rally, and the Momentum Courage Conference for 2021.

MOMENTUM
Conference

One of our most effective ministry tools in 2020 was Man Cave 360, our weekly vlog, hosted by Rob Boyd. Man Cave 360 reached nearly two thousand pastors and men each month. Each week we interview guests who provided practical insights on being a godly man. We also share updates and information on current resources available for ministry to men.

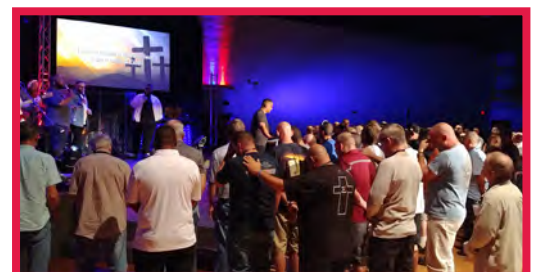

Another positive outcome was the increase in interest in the 360 Man Network. With the implementation of 360 Man coin presentation ceremonies we began to see an increase in men signing up to become a 360 Man. We can give pastors all the information they need to hold a coin presentation ceremony, or one of our Men's Reps can come to the church and officiate one. A 360 Man is committed to: Prayer; A life of integrity in his Identity; Relationships, Purpose, and Vision; Supporting his pastor and local church ministry; and to investing \$10 per month to support the efforts to reach and disciple men locally and nationally.

Instead of our annual two day Men's Representatives Retreat we were able to host a one day event October 20 at Harvest Assembly of God for the Reps and their wives. It was a great time of encouragement and strategy. I was blessed as the Men's Reps honored me with the gift of a smart watch for 10 years as the District Men's Director. Thank you to Harvest and Pastors Keith and Joy Conley for being such wonderful hosts.

All the lessons of 2020 gave us an even greater passion and insight of both the need and know how to reach and disciple men in 2021.

Respectfully submitted,

John Hensel
Director

ROYAL RANGERS REPORT

DOUG MOON

Wow, what a different kind of year we had last year. It was certainly unlike anything any of us had seen before. We, just like other ministries, were unable to have any events after February. It seemed hard to even stay in contact with others as well as we would have liked. Certainly, a different experience, when we are used to spending so much time throughout the year with those involved with us in ministry.

We were able to hold our District Trace in February. We had about 135 people in attendance and it went very well. No one knew at the time that this would be the only time for a year that we would be able to have an event. God moved in a mighty way that weekend and many men and boys' lives were impacted in a powerful way. So, in hindsight, we were blessed to be able to have one more event just before things changed.

It proved very difficult to keep Royal Rangers moving in a positive direction when most churches were doing nothing live or very little live with Children's Ministries. The majority of what we do is based on hands-on ministry, so it is difficult when we are not meeting in person. Most churches across our District, and others across the nation, had their Children's Ministries shut down for some if not most of last year. With this being the situation, it basically kept us from being able to do much more than communicate with leaders. It proved to be a very challenging year. With God's help we have begun to move in a positive direction as we have begun the new year. We just had a Staff Meeting and had better participation than we have had in the last few years. To me this is a great indication that people in our ministry and our churches are looking for opportunities to get involved again now. We had a recommitment service and God touched all that were there.

The last year has proven to be tough as far as our camp is concerned. With no ability to have events there, we lost the vast majority of our income for a year. I would like to thank all the churches, Pastors, and others that donated money to our camp over the last year. God has proven faithful, and we have been able to pay any expenses we had. We have now opened the camp, with some new safety measures in place, and have begun to have renters coming again. What an incredible God we serve. He helps us to walk through whatever challenges are put before us.

We are looking to have a much better year in 2021 as we begin having our Ranger events again. Thank you all so much for the support you give us and the men in your churches. Obviously, nothing we do it possible without your support.

In His Service,

Doug Moon

Director

WOMEN'S MINISTRIES REPORT

DEANNA SHRODES

The mission of PF Women is to help women of every generation thrive and reach their full potential through the power of the Holy Spirit. Our vision is to create a movement of women that will change the world through the innovative power of the Holy Spirit. Our movement is strong, and we pressed forward through the world events of 2020 to make major strides. We did not take 2020 as our year of rest, but our year of reexamination for the future.

During 2020, we took a closer look at our mission, vision, core values and resources to make sure they were reflective of who we really are and want to be. Our leadership team completed an organizational health survey. Following the review of the survey an organizational health plan was developed, to ensure that we are on track for continued growth.

At the same time of examining everything and making changes for continued momentum, we provided daily prayer online by our leadership team. We sensed God's leading to offer all of our resources for free last year, to help all of our leaders, churches and women who faced the struggles of 2020. We hosted two free online conferences to resource our district and bring hope and encouragement.

We were able to complete half of our annual 18-stop tour that was scheduled, going to 8 of our sections. The 2020 tour was, "Made for More." The event was free, and every attender received a book entitled *Made for More*, a 6-week journey for women, that I wrote just for the purpose of the tour. We are still hearing reports of many of our churches using this as a small groups resource for the women of their church.

PF Women missions giving remained strong and at the end of the year no one was more surprised than us that we were still among the top 10 districts in the Assemblies of God for Touch the World giving.

We are so thankful to our supporting churches as well as our 1000 Sister partners who make the fulfilling of our mission possible. For the seventh year in a row our ministry has operated in the black (even through Covid-19!) and we have been able to keep going strong thanks to your giving.

None of what our ministry accomplishes would be possible without a team. I am eternally grateful for each one of them, and an extra special shout out goes to my assistant, Judi Cotignola who works tirelessly to keep us moving forward. I am also thankful for the support of Dr. Raburn, the executives and presbytery. And finally, I am so blessed to have Larry Shrodes as my husband. His support enables both of us to fulfill the call of God on our lives.

It is an honor to serve you. I look forward to helping you any way that I can in the coming year.

With love,

Deanna Shrodes
Director

GIRLS MINISTRIES REPORT

BONNIE PAIT

Stamina! That is the Word God had given me in prayer in December 2019. And that is the Word I preached at our 2020 Refuel Leadership Retreat at Masterpiece Gardens in January. The Lord had told me we would need to have stamina-endurance- in faith, in prayer and love. Holy Spirit met with us in a powerful way and we were “all in” for 2020!

We were just a week away from Powette when we had to cancel due to Covid and the Governor’s orders to shut down large gatherings. For the next couple months, we stayed connected with our leaders and girls through Social Media, emails, zoom calls and sent cards in the mail. We spent many hours praying and encouraging one another. We were so proud of the women in Pen Florida who got creative to stay connected to their girls and continued being there for them.

When “stay home” restrictions were lifted, I baked cookies and wrote notes and headed out across the state to deliver encouragement and hope to the ladies. I dropped off packages and prayed with so many. It was good to see where the ladies lived, where their churches are, as it gave me more of an insight into their demographics and ministry.

As Fall came and churches were slowly opening, I had opportunities to speak to the girls at some small gatherings and events. It was so good to be with them! The joy came back to their faces as they were able to be together and interact. We shared and talked on fear, anxiety, depression, then leading them into hope and truth in Jesus Christ. We talked on identity as a child of God and declared over their lives what God says about them. We saw many girls surrender their hearts to Jesus! We saw a deep hunger for truth and that hunger is continuing to grow.

I have had way too many phone calls dealing with depression and anxiety in girls across the state. Taking every opportunity, ministering to leaders and girls as they walk through tough topics dealing with homosexuality, gender confusion, abuse, suicide, severe fear and depression. What 2020 has done to our kids is horrific! I have had many nights of deep intercession for our girls, leaders and churches. It deeply saddens me to know there are churches that have not opened their doors and they have young girls in their neighborhoods suffering from everything you can imagine, looking for hope. We are supposed to be the light in the darkness! We are supposed to handle things different than the world. Yes, the virus is real, but fear is a choice!

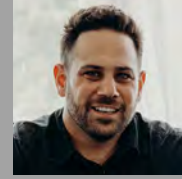

As a team we continued meeting via Zoom and making plans for 2021! We know God is on the move, and we are going to be a part of His end time army seeing a harvest of souls and lasting fruit for the Kingdom! We are ready to move forward, to see girls know that their identity rests in God alone, that He loves them and gave everything for them. We want to see a generation on fire for Jesus, passionately pursuing Him, rooted and grounded in the Word and overflowing with Holy Spirit!

Bonnie Pait

Director

YOUTH MINISTRIES REPORT

JOE BARNOSKE

Dear Friends, Natalie and I would like to express our deep gratitude for the opportunity to serve our great district. We are honored to serve alongside you. We also know that this movement is not about Joe and Natalie. It started way before us and will continue after us, God willing. The PFYouth movement includes 350+ churches, hundreds of youth leaders, and over 15,000 students who love Jesus.

LEADERSHIP TEAM

Sectional Leaders: 1 Dusty Brown, 2 Cody Scott, 3 Mike Lane, 4 Amanda Hahn, 5 Nathan Buker, 6 Joe Suro, 7 Meredith Hobbs, 8 Viet Le, 9 Vacant, 10 Keren Emmanuel, 11 Kaleb Conley, 12 Kami Schulze, 13 Chloe Yoder, 14 David Freire, 15 Salomon Duran, 16 Timothy Benitez, 17 Fabio Lam.

Executive Team: Admin Lisa Jones, STL Strategist Eric Delaney, Secretary Jun Gonzalez, Asst. Director Mark Hylton, District Youth Alive Director Natalie Barnoske, District Youth Director Joe Barnoske.

2020 MINISTRY ACTIVITIES

PK/MK Retreat: January 18-20 at DoubleTree SeaWorld. Attendance was 128 individuals. It was a great moment for Pastor and Missionary children to come together to grow closer with each other and God.

Youth Leaders Conference: February 20-22 at Arise Church in Brandon. 132 leaders attended. Main sessions were led by Casey Casal, Daniel Maddry, Chandler Boyce, David Stocker, Tommy Nixon, and Superintendent Terry Raburn. PFYouth has amazing pastors and volunteers that believe in this generation and have sacrificed so much of their time to see young people changed and transformed.

Bible Quiz: challenges students to not just read the Word, but to memorize the Word.

Junior Bible Quiz:

- Top Quizzer: Eden Castro – Highpoint Church of Port Saint Lucie
- Pen Florida District champion: Life Church of Fruitland Park - “Cowgirls”
- 2nd place: Life Church of Wesley Chapel – “Extreme Bible Adventures”
- 3rd place: Highpoint Church of Port Saint Lucie
- 4th place: First Assembly of Ft. Myers – “Scripture Seekers #3”
- 5th place: Faith Assembly of Orlando – “DC”
- 60 teams and over 1,000 people were in attendance at District Finals at Calvary Orlando.

Teen Bible Quiz: Unable to finish their season due to Covid. Relaunching in October 2021.

JBQ creatively started a 2020-2021 season with 24 teams in both face-to-face and virtual quiz meets, the most of any district in the nation. For the 2021-2022 season, TBQ will relaunch and study the book of Matthew. We have appointed Dan Anderson to oversee both JBQ and TBQ as the new District Bible Quiz Coordinator. This will help both age groups to work together and create a cohesive vision. Tim McDaniel will continue to lead the Advanced League in TBQ. We are also looking forward to launching the XP5 league which will help us expand the TBQ ministry.

GLOBAL DISRUPTION

District Fine Arts: Pastor Casey was able to develop a website for students to still participate virtually. We saw 300+ solo categories perform. Additionally, Southeastern University gave a \$1,000 scholarship to each merit winner since National Fine Arts was also canceled due to COVID.

Summer Camp: We were unable to hold camp. This was the most difficult decision Pastors Casey and Lenore have ever had to make. However, the team was able to develop “Camp in a Box”. This box contained four videos of main speakers, four videos of leadership messages, worship, devotionals, games, and graphics.

Missions Trips and Rise Conference: Unfortunately, all events were canceled for the remainder of the year. Miami Missions, El Salvador, and Rise Conference were not possible due to growing Covid cases.

TRANSITION

Pastors Casey and Lenore Casal have always prayed for God's perfect will for their family. On June 7th, they felt the Holy Spirit's direction to accept the position as Lead Pastors of Dream Church in Bradenton. Since then, they have led the church from a small group of 25 to now over 200 people in Sunday morning attendance. They have an incredible team that is leading the church through this difficult pandemic.

In August, Joe and Natalie Barnoske were both separately recommended by the District presbytery and the PFYouth sectional leadership team to be considered for the District Youth Director position. Natalie respectfully removed her name, however, Superintendent Terry Raburn asked her to continue to lead Youth Alive Florida with the new title, District Youth Alive Director. Natalie is excited to continue equipping and empowering students for evangelism. As our partner ministry, Youth Alive Florida focuses on student empowerment. She and her team will facilitate Empowerment Conference 2021, Seven Project school assemblies, campus movements, and raise up campus missionaries across Florida. Joe was honored to accept the position and to serve as the next District Youth Director.

VISION

The team prayed and felt the Spirits' direction to establish a new vision and a list of values for PFYouth.

- **New Vision:** Together, we are pursuing the presence of God and revealing the heart of Jesus to our world through the power of the Holy Spirit.
- **Values:** We believe in the Power of Community. We believe in Seeking God's Presence. We believe in Leadership Development. We believe in Student Discipleship & Ministry Training. We believe Personal Revival Leads to Kingdom Impact. We believe that Giving is our Privilege.

MINISTRY CONTINUES

In September, we hit the ground running and learning as much as possible. Much of October and November was spent traveling the state to meet with youth pastors and cast vision. In December, we had a great time with our sectional leaders in Daytona Beach for an incredible overnight retreat. Finally, we were also able to begin preparations for events in 2021, as nothing was on the calendar due to cancellations in 2020. The pandemic may have limited us for 10 months, but we were determined to start the year off strong, which we are proud to say is happening.

Speed the Light: This year we raised \$383,050.65. Over \$300,000 of this was giving between September through December. A big thank you to Orlando Faith Assembly who gave \$146,450.33. In 2021, we are establishing some new events to help promote and celebrate all that God is doing through the Speed the Light giving. When students and youth pastors partner together for missions, powerful things happen! Giving to Speed the Light helps missionaries all over the world travel faster, minister more effectively, and be heard louder as they proclaim Jesus. To follow is a giving list of churches in 2020.

Natalie and I are blessed to be a part of this incredible district. We pray that what would be said about us is that we never made these roles about us, but that we always first and foremost pointed to JESUS. Special thank you to Tammy Stanley, Pastor Casey Casal, and Pastor Al Force for all the encouragement and for being a great source of knowledge to us during the transition. We are thankful for a district that has embraced us and our leadership. We are blessed to serve with the incredible PFDC office staff. Finally, we want to thank every Presbyter, Superintendent Terry Raburn, Asst. Superintendent Scott Young, Secretary Steve Powell, and Treasurer Wayne Blackburn for having faith in us to lead the Youth department out of financial difficulties and navigate it out of this global disruption. We believe that every youth leader has challenges ahead while reaching the students, but God is the source of our strength.

Let's Change the World.

Joe Barnoske
Director

FEMALE PRESBYTER REPORT

SUSAN PIPPIN

Credentialed Ladies of Pen Florida Report

Socially Connected

Hilariously in Love with Jesus

About our Father's Business

Real with One-Another

Excellence in our Accomplishments for God's Kingdom

Credentialed ladies “SHARE” in prayer, encouragement, testimonies, family high-lights, devotions, leadership resources and getting to know one-another.

Our “THEME” (A Heart to Know Me) Jeremiah 24:7

Our “GOAL” to help facilitate the ministry gifts of each lady to further the purpose and plan God has for her life.

Our “STRATEGY” is to utilize our Facebook Group (Credentialed Ladies of Pen Florida) to reach out and equip those in our sphere of influence where God has placed each one of us with Leadership articles and personal helps.

In 2020 our Virtual Ordination Class at District Council was a tremendous success as Churches across Pen Florida set up local services for their candidates from their section. I was privileged to be a part of Section 4 and join in with those ladies being Ordained. Fourteen ladies were Ordained in 2020 for Pen Florida.

I am thankful for the privilege to teach Credentialing classes at Florida Bible Institute and speak at their Forum in 2020 Tampa Campus.

We are also thankful for Credentialed ladies who have been willing to mentor Credentialeees who are studying for their Credentials. This year I was privileged to mentor Debbie Green for 12 weeks via phone for her second level credentials and will begin her third level mentoring in May of this year.

DSOM-District School of Ministry

ASOM-Arise School of Ministry

FBI Florida Bible Institute

SUM Bible College and Theological Seminary

Southeastern University

Global-Online Studies

Goals this year this year are to interview more Credentialed ladies on the importance of continuing their studies to Ordination and how this has been a positive step in their ministry, teach credentialing classes at Florida Bible Institute, teach a workshop at Stronger on Credentialing and teach a workshop at Experience Conference.

I am thankful and honored for this opportunity to serve alongside the Credentialed ladies of the Pen Florida District.

In His Service,

Susan Pippin

Female Presbyterian

SOUTHEASTERN UNIVERSITY REPORT

KENT INGLE

2020-21 Southeastern University Annual President's Report to the AG Districts

In November, Southeastern University celebrated its 85th year of training and equipping students to serve Christ and the world through Spirit-empowered learning. This year also marks a significant anniversary for me and for my family as we celebrate my 10th year as president of Southeastern. It has been my privilege to serve in this capacity, and I know without a shadow of a doubt that our move across the country to central Florida was a God-led decision.

I recently sat down with members of our leadership team to reflect on some of the amazing things God has done at SEU in the past ten years as we have sought His vision for the direction of the university. Some of these accomplishments of our community include:

- SEU is ranked by the *Chronicle of Higher Education* as the sixth fastest-growing master's level university in the country.
- We currently have 9,535 students enrolled at Southeastern through our Lakeland campus, our extension sites, online students and dual enrollment. There are also 289 international students from 42 countries.
- SEU now has 175 extension site campuses in 40 states, with a total of 2,594 students at these sites. The M.Div. and Practical Ministries degrees are among the fastest growing programs at our extension site campuses.
- Southeastern has graduated a total of 5,974 ministry degree graduates since 1935. In just the past 10 years, there have been 2,259 ministry graduates.
- This year alone, **2,640 students are training for ministry-related positions, making Southeastern the largest Pentecostal university in the country.**
- Extension site students training for ministry-related positions have saved local churches over \$30 million by serving in practicum and internship roles. In 2020-21, ministry students will serve a total of 455,250 hours in the local church.
- SEU Worship, comprised of 4 worship pastors and 60+ students, minister throughout the year in SEU Chapel services, youth camps, conferences, and churches. SEU Worship has also signed with a major Christian label and has achieved millions of streams worldwide.
- In the past 6 years, SEU Missions has sent approximately 500 students per year to more than 1,000 locations. These students have ministered to more than 100,000 people and have seen 4,000 decisions for Christ.
- Since 2011, Southeastern has added 95 new degree programs, including 19 new master's and 4 new doctoral programs.

- In 2014, SEU launched its first doctoral program (Ed.D.) with 23 students. There are now 259 students in one of our four doctoral programs, including the M.Div. degree program.
- SEU's Nursing program is the largest major on our Lakeland campus. Our nursing graduates have a 100% employment rate following graduation.
- SEU has added 9 new varsity athletics teams in the past 10 years, and since 2011 Fire Athletics have won 40 Sun Conference championships, 41 NAIA national tournament qualifiers, and 1 NAIA national championship in baseball.
- Located in the heart of SEU's campus, the Pathways School of Excellence is a private Christian school for middle and high school aged children with special needs.

Spiritual Life on Campus

Southeastern's spiritual life on campus is thriving, despite limitations due to the coronavirus pandemic this past year. Students continue to have several opportunities each week for chapel services and small discipleship groups in person and online. By meeting in multiple locations around campus in socially distanced settings, in addition to live streaming of chapel services and devotions, students' spiritual needs continue to be met daily.

Fall 2021 Reopening Plans

With the recent announcement that the majority of Americans that wish to be vaccinated will be able to do so by May 2021, we are excited to share that we look forward to a return to in-person instruction in a normal classroom capacity this fall for traditional students at our Lakeland campus! With the benefit of added tools and techniques adopted during the pandemic, we hope to provide an on-campus experience close to what it was before COVID-19. Additionally, online classes will still be available to students as they were prior to the pandemic.

At Southeastern University, we recognize that God sends students to us to raise them up to impact this world for His kingdom; it is incumbent on us to find ways to unlock their vision and calling through innovation, access to education, and affordability. We believe in creating delivery systems that make a quality, Spirit-led higher education accessible and affordable to students. In doing so, Southeastern students will have an even greater impact in the world in the coming years!

Serving our students at a Christ-centered, student-focused institution is at the heart of what we do at Southeastern. As a supporting district, church, or individual, you are also a part of each and every student's calling and each and every success! We appreciate your continued prayers and support as we move forward in this season.

Blessings,

Kent J. Ingle, D.Min
