

A Vision Becoming Reality: Help Build the New Jerusalem School Bethlehem

God has opened an unprecedented door — a powerful opportunity to build a new school that will not only replace our outdated facilities but also expand our capacity to serve up to **1,200 students!**

Why This Matters

By standing with us in this next phase of growth, you're helping to:

- Save the school **\$10,000+/month** in rent
- Gain access to **reliable water**
- Strengthen relationships with local government
- Provide a **Christ-centered, peace-filled education** to the next generation of Palestinian leaders

“The idea, the message, is something that is very awesome. It's different. It's unique. But the facilities, the area, the land, the place, the classrooms — it does not meet the requirement for such a message.”

—Sharbell, Ninth Grade Student

“We care about each kid. We usually treat them like jewels, and, at our school, they're the jewels of the future.”

—Mrs. Carmen, Kindergarten Principal

“We need to make improvements in order for the community to see that JSB is like a bright star.”

—Mr. Jack, High School Principal

“We are building leaders. Last year, we had 29 graduates — all of them now attending the Universities.”

—Mr. Jack, High School Principal

We already **own the land**, and **construction has begun** — but we need your help to finish the next phase.

(continued on back) →

Your Gift Will Help:

✓ Install **science labs** for high school students

✓ Complete **libraries** for the elementary, middle, and high schools

✓ Add **computer labs** for the middle and high schools

✓ And so much more!

Be Part of Something Eternal

“Our dream is to build our own school and to be more free with our vision.”

—Miss Grace, Founder of Jerusalem School Bethlehem

As a new school year begins, there is **no greater way to share the love of Christ** than by investing in the hearts and minds of Palestinian students. You can be part of what God is doing in Israel and Palestine — **bringing hope, healing, and reconciliation to the Holy Land.** Please give generously today!
